

FATHER FRASER'S CHINA MISSION FUND

There are four hundred million pagans in China. If they were to pass in review at the rate of a thousand a minute, it would take nine months for them all to go by. Thirty-three thousand of them die daily un baptized. Missionaries are urgently needed to go to their rescue.

There Is No Beauty Like Beautiful Hair

A woman's hair is her crowning glory. But it requires, and well repays, constant care.

ALL HAIR TROUBLES have both a reason and a remedy. When the hair falls out, or turns grey, or loses its elasticity or lustre, or shows other evidence of weakness, the reason is that the hair has lost one or more of its elementary constituents.

THE REMEDY IS to consult DR. PARTIN, the noted scalp and skin specialist, whose methods are almost infallible in dealing with hair troubles of the kind mentioned, or with diseased scalps, dryness or dandruff. His treatment necessitates the use of no dyes, bleaches, or colourings. But it swiftly corrects the trouble and restores to the hair its former natural healthy growth.

Up-to-date new department now open for Hair Shampooing (Antiseptic), Marcell Waving and Hair Dressing. Address: DR. PARTIN INSTITUTE 193 Bloor Street East, Toronto

The Fluctuating Dollar

At present, a dollar is worth only about 50c to spend; but it is worth \$1.00 to save. Because, dollars deposited in a Savings Account will steadily increase in buying power as the world gets on its feet again and the supply of commodities grows equal to the demand. Buy only what you cannot do without. Put your dollars away in a Savings Account until their buying power becomes more equalized.
