In this present age, when the life battle is so fiercely fought, and when upon even the strongest the tug and stress of it tells so heavily, how necessary it becomes for us to provide for the keeping up of our reserve stock of mental and physical stamina by the use of such a nervous tonic and vitalizing agent as Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto phosphate of Lime.

Its gently stimulating and nutritive tonic properties supply the materials, and assist nature in her effort to keep up with the exhaustive demands upon her reserves.

PARKS' COTTON YARN

Awarded the Only Medal Given at the Centennial Exhibition. FOR COTTON YARNS OF CANADIAN MANUFACTURE.

Numbers Five's to Ten's. White, Blue, Red, Orange and Green Made of Good American Cotton with great care. Correctly numbered and Warranted Full Length and Weight.

We would ask the purchasers of Cotton Warp to remember that our Yarn is spun on Throstle Frames, which make a stronger Yarn than the Ring Frames, used in making American Yarn. It is also better twisted and more carefully reeled; each hank being tied up in 7 leas of 120 yards each. This makes it much more easy to wind than when it is put up without leas—as the American is—and also saves a great deal of waste.

Those acquainted with weaving will understand the great advantage it is to them to use yarn put up in this manner.

COTTON CARPET WARP, MADE OF No. 10 YARN, 4-PLY TWISTED, WHITE, RED, BROWN, SLATE, &c.

All fast colors. Each 5 lb bundle contains 10,000 yards in length and will make a length of Carpet in proportion to the number of ends in width. We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other material. Since its introduction by us, a few years ago, it has come into very general use throughout the country.

All our goods have our name and address upon them. None other are genuine. WM. PARKS & SON, New Brunswick Cotton Mills, ST. JOHN, N.B. July 20-3m

Canadian Pacific Railway.

C., London.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES. THIS DISCOVERY

Is the result of a series of Scientific Experiments based upon the theory that "for the successful cure of Wasting Diseases, the nervous system must be made vigorous and healthy."

One of the first symptoms of disease affecting either the Liver, Lungs, Heart, Stomach, or Genital Organs, is a loss of nervous power. This is followed by muscular relaxation, weakness, and emaciation of all the organs which depend for health on involuntary muscular action, the weaker suffering first.

Now, as the first muscles and nerves depend so much upon each other for efficient strength and action, and as the organs they control depend on both, it becomes an actual necessity to treat the nerves and muscles directly in order to speedily and permanently cure diseases of the above named organs.

The inventor, acting upon these ideas, after months of experience, during which time he had ample opportunity for trying the effect of his discovery, became convinced that no other preparation known contained so potent and direct an effect upon the nervous system as his COMPOUND SYRUP OF HYPOPHOSPHITES, and except in cases of actual organic loss, that it would restore patients suffering from those maladies.

Amongst the diseases overcome by the use of this remedy are the following:— Chronic Constipation, Chronic Dyspepsia, Asthma, Chronic Bronchitis, Consumption, Chronic Diarrhoea, Chronic Laryngitis, Melancholy, Nervous Debility.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES. The power of arresting diseases displayed by this preparation is honorably acknowledged by the medical faculty in every section where it has been introduced; and the large sale is the best guarantee of the estimation in which it is held by the public.

This Syrup will cure Pulmonary Consumption in the first and second stages, will give great relief and prolong life in the third. It will cure all diseases originating from want of Muscular action and Nervous Force.

Do not be deceived by remedies bearing a similar name no other preparation is a substitute for this under any circumstance. Look out for the name and address J. F. Fellows', St. John, N.B., on the yellow wrapper in watermark which is seen by holding the paper before the light.

JOYFUL NEWS FOR THE AFFLICTED.

TONEY RIVER, Oct. 30th, 1877.

DR. C. GATES:—

Gentlemen—I take much pleasure in stating some facts respecting your valuable medicine. My wife had been suffering for many years and tried many remedies, which had very little effect. You happened to come to my house two years ago last September. She then commenced using your medicine, which relieved her of her trouble more than all the medicine she had taken before.

I myself had a very severe pain in my knee, and after rubbing it twice with your Liniment and Ointment, it entirely left me. Also I had a daughter that had a severe pain in her hand, which was removed by the application of one box of Ointment and one bottle of Liniment.

Therefore I intend to have your medicine in my house in case of any other trouble.

Your most respectfully, ALEXANDER McKENZIE.

Sworn to at Cape John, Nov. 5, 1877 before me, HUGH McLEOD, J.P.
