ENORMOUS SAVING TO SCHOOLS.

There is usually quite as much money in selling 100,000 copies of a publication at 5c., as 5,000 at 25c., or 500 at \$1, and we are quite contented to make prices on this basis. We employ writers and pay for all MSS. using more original matter than any two other publishers in this line, having employed and paid 170 writers during the past year, besides seven editors. Nothing partisan or sectarian admitted.

Bible in Chains! he

A few centuries ago the few Bibles in existence were commonly chained in the churches and accessible only to a few. Those who attempted to free them, translate them, and give them to the people, had the stake and the scaffold for their reward. The Revised Version of the New Testament was completed, printed, and bound months ago in England, but that the English publishers might be able to monopolize its sale, and make a few hundred thousand dollars the more, it was withheld from the public. The Copyright Law in England is such that at least two newspapers, which, by some method, secured copies of portions of it, and published extracts, with comments, were compelled to desist from repetition of the "crime," and to publicly apologize for their "wrong." We are in favor of an equitable international copyright law that will give authors due reward for their labor, but Americans will not care to see such an English law transferred to this country.

On the morning of May 20th the British monopolists unbound the chains. At 6.80 P.M. of the same day our beautiful edition was all in type, and of the various editions of the entire Testament and the Gospels published séparately, we shall endeavor to manufacture as many as 50,000 copies a day till the demand for them is met. We have taken pains to make the work typographically one of the most perfect ever published in this country. The type is large and beautiful, nearly double the size of that of the monopolists' cheap edition, at prices low beyond comparison with theirs.

Young's Great Bible Concordance.

New American copyright index edition. 1 vol. quarto, Popular Edition, cloth, \$2.55; postage, \$7 cents. Hait Russla, sprinkled edges, \$2.75; postage, \$7 cents. Scholars' Edition, half Turkey, marbled edges, \$4.50; postage, 81 cents.

edges, \$4.50; postage, 81 cents. Our new edition of this magnificent work may fairly be called the "Webster's Unabridged of Re-ligious Literature." By its aid the unlearned English reader is given ready access to the information here-tofore accessible only to those learned in the Hebrew and Greek languages, or by the aid of expensive and often inaccessible Greek and Hebrew Lexicons and Concordances. In connection with the new version of the Bible, particularly, it proves especially inter-esting and helpfui, giving what no other work sup-plies, clews to the considerations which have led scholars to make the varying translations which have been given to the world in the centuries past, enabling the intelligent reader in large measure to decide for himself what is the meaning that will best satisfy his own understanding and the demands of satisfy his own understanding and the demands of his own conscience.
