

## ONTARIO TO THE FRONT!

## A MATTER OF VITAL IMPORTANCE.

The following unsolicited opinions from your friends and neighbors, men and women, whom you know and respect, ought to carry conviction to any doubting mind. These words of gratitude are from those who have been afflicted but are now well, and the persons giving them are naturally solicitous that others, troubled as were they, may know the means of cure. There is no reason why you should be longer ill from kidney, liver or stomach troubles. You can be cured as well as others. Do not longer delay treatment, but to-day obtain that which will restore you to permanent health and strength:

296 McNab St. North, Hamilton, Can., Nov. 2, 1886.—I had been suffering for over twenty years from a pain in the back and one side of the head, and indigestion. I could eat scarcely anything, and everything I ate disagreed with me. I was attended by physicians who examined me and stated that I had enlargement of the liver, and that it was impossible to cure me. They also stated that I was suffering from heart disease, inflammation of the bladder, kidney disease, bronchitis and catarrh, and that it was impossible for me to live. They attended me for three weeks without making any improvement in my condition. I commenced taking "Warner's Safe Cure" and "Warner's Safe Pills," acting strictly up to directions as to diet, and took thirty-six bottles, and have had the best of health ever since. My regular weight used to be 180 lbs. When I commenced "Warner's Safe Cure" I only weighed 140 lbs. I now weigh 210 lbs.

St. Catherines, Ont., Jan. 24th, 1887.—About six years ago I was a great sufferer from kidney disease, and was in misery all the while. I hardly had strength enough to walk straight and was ashamed to go on the street. The pains across my back were most unbearable, and I was unable to find relief, even temporarily. I began the use of "Warner's Safe Cure," and inside of one week I found relief, and after taking eight bottles, I was completely cured.

Toronto, (18 Division St.) Sept. 17, 1887.—Three years ago last August my daughter was taken ill with Bright's disease of the kidneys. The best medical skill in the city was tasked to the utmost, but to no purpose. She was racked with convulsions for forty-eight hours. Our doctor did his best, and went away saying the case was hopeless. After she came out of the convulsions, she was very weak and all her hair fell out. The doctor had left us about a month when I concluded to try "Warner's Safe Cure," and after having taken six bottles, along with several bottles of "Warner's Safe Pills," I saw a decided change for the better in her condition. After taking twenty-five bottles there was a complete cure. My daughter has now a splendid head of hair and weighs more than she ever did before.

CHATHAM, ONT., March 6, 1888.—In 1884 I was completely run down. I suffered most severe pains in my back and kidneys, so severe that at times I would almost be prostrated. A loss of ambition, a great desire to urinate, without the ability of so doing, coming from me as it were in drops. The urine was of a peculiar color and contained considerable foreign matter. I became satisfied that my kidneys were in a congested state, and that I was running down rapidly. Finally I concluded to try "Warner's Safe Cure," and in forty-eight hours after I had taken the remedy I voided urine that was as black as ink, containing quantities of mucus, pus and gravel. I continued, and it was not many hours before my urine was of a natural straw color, although it contained considerable sediment. The pains in my kidneys subsided as I continued the use of the remedy, and it was but a short time before I was completely relieved. My urine was normal and I can truthfully say that I was cured.

*J. M. Oode*

GALT, ONT., Jan. 27th, 1887.—For about five years previous to two years ago last October, I was troubled with kidney and liver trouble, and finally I was confined to my bed and suffered the most excruciating pain, and for two weeks' time I did not know whether I was dead or alive. My physicians said I had enlargement of the liver, though they gave me only temporary relief. Hearing of the wonderful cures of "Warner's Safe Cure" I began its use, and after I had taken two bottles I noticed a change for the better. The pains disappeared, and my whole system seemed to feel the benefit of the remedy. I have continued taking "Warner's Safe Cure," and no other medicine since. I consider the remedy a great boon, and if I ever feel out of sorts "Warner's Safe Cure" fixes me all right. I weigh twenty pounds heavier now than ever before.

—Bishop Meade, we are told, was once sojourning for a season in the State of Pennsylvania; and, during this sojourn, he was called upon by a certain German, who said: "Pishop, can you baptize my papy?" The Bishop assented; the arrangements were made; the company assembled; the Bishop took the infants in his arms and began the service for such cases made and provided in the Prayer Book. It so happened, however, that the parents had not yet decided upon any name for the baby; and so, when the Bishop came to the point at which the name was to be called, he said to the father: "What name?" The German replied: "O! any name you please, Pishop; any name you please." The Bishop, not willing to embarrass things by any delay, proceeded to give the child the first name that occurred, namely—the Bishop's own name. Dipping his

hand into the water, he said: "William Meade Schneider, I baptize thee"—when he was interrupted by the father, who cried out: "Oh! Pishop, he's a gall!"

## CONSUMPTION CURABLE.

Since the fact that consumption is both preventable, and in its earliest stage curable, it has lost much of its terror. If the first symptoms are at once recognized, and the proper remedy applied, very few, if any, need die of consumption, which is really lung-scurf. Like many other diseases this formidable one grows out of impure blood, and this, in turn, from a diseased liver. Hence, we have the hacking cough, the pains in chest, the inflamed lungs, and all the symptoms of hastening consumption, all the result of depraved blood and a diseased liver. The use of Dr. Pierce's Golden Medical Discovery will arrest all such symptoms, restore the liver to healthy action, and send streams of pure blood into every organ. Of druggists.
