Vanstone and Rogers' Announcement

Our Name is Your Safeguard

We have a new and carefully selected stock of

Clydesdales - Percherons - Belgians

on hand at the present time and would advise intending purchasers to get their horses now. This will give plenty of time to get acquainted with the horse, and to advertise him; also he can be properly exercised all winter. Nearly every Stallion we have is broken in and all are gentle to handle. We have several aged horses that we have taken in exchange, which are sound, good stock horses and absolutely sure. We have the record of each, which will speak for itself. These horses will be cleaned out at about one half of what they would earn in a single season.
