WIT AND HUMOR

A Close Shave
"Good heavens, man, what is the matter with your face? Were you in an automobile accident?"
"No, I was being shaved by a lady barber when a mouse ran across the floor."

.....

Gale-Beese
Zona Gale is now the wife of William Beese. Weather predictions: Little cyclones around the house.

.....

Cat Out of the Bag
"Miss Lamb—Sylvia—there's a question I've been wanting to ask you for weeks."
"Carry on, old thing, the answer's been waiting for months."

.....

Where's the Boss?
Small Boy (to visitor)—Have you got a wife?
Visitor—No, sorry, I haven't.
Small Boy—Then who tells you what to do?

.....

Leashed and Muzzled
A sign near Allenburg, Ont., reads "DANGER! HOT DOGS AHEAD"
Wandering Willie says they don't bite—unless one puts too much mustard on them.

.....

Sweet Simplicity
The bride's only garment was a pearl pin of her mother's.—Charlotte (N. C.) Observer

.....

Smelt Much Powder
We are not greatly concerned over the fact that American girls in 1927 spent three times as much for cosmetics as Uncle Sam did for his Army. The girls won more battles than the Army did.

.....

Business as Usual
Mildred (jelly)—And shall I return the engagement ring?
Frank—Oh, no, don't bother; I'll just have the notice of the next instalment sent to you.

.....

It's easy to discover how much the average man earns. Find out how much he spends and divide by two.

.....

Twelve-year-old Marjorie had been reading about Egypt.
"Do you know what the oldest flower in the world is?" asked her mother, thinking the answer would be the lotus.
Marjorie thoughtfully responded, "I suppose it would have to be the apple blossom."

.....

"Do you love me, darling?"
"Of course I do, Harry."
"Harry? My name's Sam."
"Why, so it is! I keep thinking to say is Monday!"

.....

Tramp—Lady, could you give me something to eat?
Lady—I know of a vacancy where you can earn your food.
Tramp—I already have the vacancy, lady. I am just looking for someone to fill it.

.....

His Conclusion
He—'I've come to a conclusion. She—What is it?
"I realized today that I have been a bachelor for 38 years, and—"
"Oh, Jack, this is—"
"And I decided I'd had a jolly good time and that I'd keep it up."

.....

Self-Service
"Aren't you afraid the birds will eat your seeds? You ought to put up a scarecrow."
"Oh, it's not worth it. There's always one of us in the garden!"

.....

A Second Choice
An election story often told in parliamentary circles had its origin in a meeting between a candidate and a farmer. To pleadings for support, the farmer replied:
"Vote for you? I would sooner vote for the devil!"
"But," the candidate replied suavely, "in the event of your friend not tending?"

ISSUES WARNING

Traffic Officer Le Grand was in town this week and he states that in the past few weeks he has had a real busy time on the highway over which he has jurisdiction and says the most trouble is caused by drunken drivers. The Major is interested in educating motorists to observe the traffic laws and in this respect issues several warnings. Of course, if these warnings go unheeded, summons will be resorted to.

In the first place there are too many motors on the highway with defective lights, namely with only one headlight or no tail light. Warnings to have proper lights have been issued before and action will be taken in all such cases from now on.

The Major advises all car owners to have their lights tested as to focus and glare. As an act of courtesy the lights should be dimmed when passing another car.

Another point is this, a new law is now in effect regarding the cluttering up of windshields and rear windows with stickers. This obliterates vision and is a dangerous practice. The police and peace officers have orders to see that car owners remove these when they are of a size to prevent clear vision.

In any case of accident on the highway where property damage occurs, no matter if anyone is injured or not, the cars should not be removed until the traffic officer is called to the scene for inspection purposes.—Kincaid Review.

"A well-stocked cellar" has several meanings, but from a downright practical point of view the term signifies plenty of fruit and vegetables.

An Oshawa man has been given two years and the strap for getting drunk and beating his wife. Why not try this stuff on the hit-and-run motorist, the phony bond salesman and a few others?

According to a statement recently issued, the Ford Motor Company of Canada produced 13,945 cars in the month of August, for use in Canada and overseas territory. This was at the rate of 541 cars per day for the 24 working days of the month, and surpasses any previous monthly production.
