All the Forest is the best Medical School!

That professional skill, called (in some) "genius," is the result of observation, study and experience. Dr. HALSEY'S FOREST PILLS are the result of the observation, study and experience of the most skilful Physician and the Surgeon, assisted by the discoveries of the Forest, during the most successful practice of the Doctor, extending over a period of

DR. HALSEY'S
CELEBRATED
FOREST PILLS.

These Pills are prepared from the best Medicines of the vegetable world, and are entirely free from Mercury or any other mineral. They are mild in their operation, but powerful in their effects. They act directly on the Liver, Stomach, and Digestive Organs, and by their timely use the health can be preserved for many years.

But a short time has elapsed since these pure and good Pills made their public appearance, and yet thousands have already experienced their great value. Invalids, give them a trial, and be convinced. Incurables, have faith, relief and hope. Prejudice cannot and must not close your ears to the voice of truth.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach are the fruitful source of disease and suffering. In the hitherto fatal diseases of Cholera and Asiatic, when the stomach is overpowered by bile, and the food, instead of being digested, is changed into bile, and passed off by stool, these Pills have been found a never-failing remedy. In Fever and Ague, Bilious Fever, Dysentery, and Ague and Fever, in the fall of 1849 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them another dose. They soon operated, and brought away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.
