MOTOR COMPANY IS WOUND UP

Creditors to the Extent of $75,000 Are Concerned—Meeting To-Day.

TORONTO, Feb 9—An order wind
winding up the Tudhope Motor Com-
pany of Orillia, has been made at
Osgood Hall by Mr. Justice Middle-
ton the petition of Parish and Bing-
ham, of Cleveland, manufacturers;
creditors for over $3,000. The com-
pany was incorporated with a nomin-
al capital stock of $500,000.

A proposition was moted for sat-
isfying the trade creditors' claims
with preferred stock of the Fisher
Motor Company of Walkerville, but
the petitioners objected and it is held
that they cannot be compelled to ac-
cept the proposition by the majority
of creditors. The scheme was ap-
proved by a meeting of creditors,
where 26 out of 45 creditors repre-
senting $53,061 out of $75,619 were
represented. It was urged by the
majority that there would be practi-
cally nothing for them unless they
accepted the Fisher stock. Other
creditors according to a statement
filed, are the Royal Bank $750,000,
mostly secured; the Tudhope Car-
riage Company $43,423 and W. H.
Tudhope $21,700.

Turned Out By Fire In Toronto

[By Special Wire to The Courier]

TORONTO, Feb. 9.—Fire at 6.30
this morning at Nos. 10 and 12 Viv-
ian Place, destroyed two small houses
with loss of $6,000 and turned sixteen
people into the street. T. W. Gillies
thawed his gas pipes in the cellar of
No. 10 and after completing the job
came up stairs to find the woodwork
of the first floor had caugh fire and
flames were spreading into the next
room where his wife and two chi-
ldren were sleeping. The fire spread
rapidly to the next house occupied by
James Edgar. Most of the inmates
escaped to the street, scantily clad.

UNDER SHADOW OF CIVIL WAR

(Continued from Page 1)

Both in the House of Commons and
in the House of Lords amendments
are to be moved to the address in re-
ply to the King's speech. These will
express regret that nothing has been
done to satisfy the demands of Ulster.

While Premier Asquith has not dis-
closed his intentions the more mod-
erate Liberals have advised him to
make immediately after the opening of
parliament, a statement explaining the
concessions he is prepared to offer
Ulster and asking for a candid reply
from the opposition as to what they
consider satisfactory. This would if
believed lower the temperature of the
controversy and secure the sym-
pathy of the country in case the Un-
ionists should still persist in obstruc-
ting the business of the House of Par-
liament.

EAT CABBAGE, FISH, SAUSAGE, NEW BREAD

"Pape's Diapepsin" digests food
when stomach can't—Cures
indigestion.

Do some foods you eat hit back—
taste good, but work badly; ferment
into stubborn lumps and cause a sick,
sour, gassy stomach? Now Mr. or
Mrs. Dyspeptic, jot this down: Pape's
Diapepsin digests everything, leaving
nothing to sour and upset you. There
never was anything so safely quick,
so certainly effective. No difference
how badly your stomach is disorder-
ed you will get happy relief in five
minutes, but what pleases you most
is that it strengthens and regulates
your stomach so you can eat your fa-
vorite foods without fear.

Most remedies give you relief some-
times—they are slow, but not sure.
"Pape's Diapepsin" is quick, positive
and puts your stomach in a healthy
condition so the misery won't come
back.

You feel different as soon as
"Pape's Diapepsin" comes in contact
with the stomach—distress just van-
ishes—your stomach gets sweet, no
gases, no belching, no eructations of
undigested food, your head clears and
you feel fine.

Go now, make the best investment
you ever made, by getting a large
fifty cent case of "Pape's Diapepsin
from any drug store. You realize in
five minutes how needless it is to suf-
fer from indigestion, dyspepsia or any
stomach disorder.

Queer Hockey

As Exemplified by an Ot-tawa Player on Sat-urday.

[By Special Wire to The Courier]

MONTREAL, Feb. 9.—The Ga-
zette this morning says:

It is alleged by several who wit-
nessed the match between Ottawa
and the Wanderers at Ottawa on Sat-
urday night that Percy Leseuer, play-
ing manager of the Ottawa club, de-
voted a great deal of time to a new
style of coaching during the play.
While the Ottawa players were hold-
ing their own against the Wanderers
Leseuer was satisfied to sit on the
bench and coach the players. When
When the tide turned against his
team, it is alleged that he made his
way to the bleachers and dropped on
the occupants of "millionaires' row"
to get after Billy Nicholson, playing
with them to help Ottawa win by get-
ting Nicholson off his game.

This, it was stated, was respon-
sible for the throwing of articles of
various descriptions at Nicholson
during the time he played at the
bleacher end of the rink.

If there is any truth in this report,
then it is up to the National Hockey
Association to deal with the matter
as Leseuer is not only a player but an
officer of the Ottawa club, and should
be held responsible for the conduct
of the crowd towards visiting teams.
Leseuer is under the jurisdiction of
the association during the playing of
a match, and such conduct is worthy
of an investigation.

Authors and Film

LONDON, Feb. 9.—Mr. Cecil Ral-
eigh has started an agitation, which is
to be taken up by the Authors' So-
ciety, against the unauthorized produc-
tion—mostly by foreign firms—of pic-
ture plays bearing the titles of suc-
cessful novels and dramas. t is pos-
sible that some alteration of the copy-
right law may be the result.

"It is a disgrace to our laws," said
Mr. Raleigh, "that at present the
title of any popular book or drama
can be put on a film without the con-
sent of the author of the book or dra-
ma. he injustice of it is very ob-
vious. The law with regard to copy-
right in a title is very obscure, and
some authorities hold that there can
be no copyright in a name, which
means that it is possible to stick a
well-known title on a film which is
not connected with the subject for
which the title was originally chosen.
The titles of several all-known plays
are thus being used at present.

"There is another point also in
this connection that is not under-
stood by the public. After a play has
been running for perhaps three years
and its place is taken by another, the
writer may sell the moving picture
rights; but there is nothing to pre-
vent a firm from putting the title
of that play on any film and adver-
tising it in this way, to the detriment
of the real production."

QUEBEC, Feb. 9.—Chevalier E.
Martineau, having declined to accept
the mayoralty candidature offered him
on Friday last, the field is left clear
for the re-election of Mayor Nap.
Drouin by acclamation when the nom-
inations are declared closed this af-
ternoon.

Encourage House-Owning!

From time to time there have appeared articles in the daily papers advo-
cating the organization of a company for the construction of houses for
working men. So far as Brantford is concerned, the S. G. Read agency has
supplied 73 homes within the last few years to working men from their own
capital, and hundreds of other houses have been sold through the same
agency and the agreements of purchase carried by private friends and
clients of this agency. About 8 years ago this agency became a limited
liability company, principally for the purpose of furnishing homes to those
who required to purchase on the easy-payment plan, and our business has
grown year by year, until we now have so many applications for homes that
we find it necessary to offer some thirty or forty thousand dollars' worth of
our Preferred Shares to the general public. These shares are $100 each, par
value, and pay 6 per cent. per annum, regularly, dividends payable half-
yearly. The present shareholders, who have been in our Company since its
inception, would not sell their shares for $140, because of the splendid
security they offer. The Company desires to continue to be able to sell
their properties on payments to home buyers at no greater rate to the
purchasers than six per cent per annum. Therefore, we can appeal to all
classes of people who have money to invest who desire to see our working
men with comfortable homes without being oppressed by high rates of
interest, to assist us in this good work by securing some of our shares with
a guaranteed dividend of six per cent. per annum, payable half-yearly.

We also offer first-class Industrial stocks, good dividend payers.

For further information regarding the above securities, call at our office.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use the Old-time Sage Tea and Sul-
phur and Nobody Will
Know.

Gray hair, however handsome, de-
notes advancing age. We all know the
advantage of a youthful appearance.
Your hair is your charm. It makes
or mars the face. When it fades,
turns gray and looks dry, wispy and
scraggly, just a few applications of
Sage Tea and Sulphur enhances its ap-
pearance a hundred-fold.

Don't stay gray! Look young!
Either prepare the tonic at home or
get from any drug store a 50 cent bot-
tle of "Wyeth's Sage and Sulphur
Hair Remedy." Thousands of folks
recommend this ready-to-use prepar-
ation, because it darkens the hair
beautifully and removes dandruff,
stops scalp itching and falling hair;
besides, no one can possibly tell, as
it darkens so naturally and evenly.
You moisten a sponge or soft brush
with it drawing this through the hair,
taking one small strand at a time. By
morning the gray hair disappears;
after another application or two, its
natural color is restored and it be-
comes thick, glossy and lustrous, and
you appear years younger. Agent J.
Geo. Bowles.
