**Two Ounces of Blood Daily**  
 The Secret of Perfect Health is to Have Pure Blood  
 Thousands of diseases to which the human flesh is heir have their origin in the blood. The object of Dr. Campbell's Red Blood Forming Capsuloids is to keep the blood pure, and by taking one or three daily they increase the supply of oxygen and purify the blood.  
 Anemia is caused by bankruptcy of the blood. The blood fails to take up the oxygen breathed into the lungs, the germs of disease multiply, the weakest part of the system is attacked, and sickness is the result.

**PERFECT HEALTH**  
 Depends on the Quality of the Blood  
 See that it is Pure by taking  
**Dr. Campbell's Red Blood Forming Capsuloids**  
 Capsuloids are the Natural Iron and when taken into the stomach dissolve immediately and the iron is absorbed by the blood and in this way strength is created, vitality restored, and are what you need to make robust, healthy and strong.

**Capsuloids** are sold at 50c a box or 6 boxes for \$2.50 by J. P. Lamb & Son, Athens, or sent on receipt of price from The Canadian Branch.

 The statute in regard to elections to the Ontario Legislature provides that clerks of municipalities shall be deputy returning officers. In South Leeds, Mr. Walter Beatty, the present clerk, is who is a candidate for re-election, is clerk for the township of Bastard; so that under the law as it stood, Mr. Beatty would either have to resign his clerkship or act as one of the returning officers in the election in which he is a candidate; and many were wondering what course he would take. However, he is not to be placed in this dilemma, as the act has been amended by the Government, so that a clerk of a municipality is a candidate for deputy returning officer, and some other person shall be appointed to that office.
