ed, and connect with the new com-pany's railway? Many railway men Norman was fined \$5 and costs. look on either alternative with considerable doubt, believing that St. John, N. B, and Halifax, N. S., be ing free at all times from the danger of ice, will always uphold their superiority as winter ports.

A meeting of the Sunday School teachers belonging to St Andrews church, New Carlisle. (Church of Enggland) was held on June 30th to express their deep regret at the departure of their rector and Mrs Wilson from amongst them. They feel that it will be hard to replace such a kind and sympathetic friend as their rector has always proved to be towards them for over eight years and although they regret that he was unable to attend the Sunday School as much as he would have wished, on account of his many services, still they knew that he would in all cases give his kind advice and encouragement to those teachers who required it. They had every confidence in him and hope that every blessing will rest on his work in his next sphere of labor. A copy of this is to be sent to Rev.E.K. Wilson, M. A, and Eliza Murison, Supt., on behalf of the following S. S. teachers: Mrs George Kempffer. Miss Bessie Hall, Miss Clara Gaie, D. Kempffer, Stella Hall, Maggie Flowers. Minnie Hall, Alice Thompson, Lizzie Flowers, Mr. Woodburn Sheppard, and Mr W Flowers, -Com.
