

THE DAIRYING INDUSTRY.

It is a fact, however, that the dairymen of this province are not doing as well as they should... The dairymen of this province are not doing as well as they should...

There are many reasons for this, but the most important are the high cost of feed and the low price of butter... The price of butter is low, and the cost of feed is high...

It is not surprising, therefore, that the dairymen of this province are not doing as well as they should... The price of butter is low, and the cost of feed is high...
