THE EDITOR'S TABLE.

Word or two About New Publication

"Defence of the Jesuits."

We have received a copy of the "Defence of the Jesuits," by Rev W. Flannery, of St. Thomas, associate editor of the London Catholic Record, which is a reply to Principal Austin's attack on the lesuits. The pamphlet is written in the lesuits of Rev Father out of the family in four years—his wife, two daughters, three sons and a grand Flannery, and every one who has read the other side of the question should get a copy and compare notes. A copy of a rollicking song by the author, on the parliamentary vote, entitled "The Devil's Thirteen," is also published in the present work.

DUNGANNON.

DUNGANNON. From our own correspondent.

Weather just now is changeable; how ever, rain will benefit root crops, etc. Quite a number of farmers in this locality are preparing the soil to sow fall wheat.

The dominies are beginning to look in the direction of their seminaries, which they intend to occupy rext week.

Our village is still further being improved. Messrs W Echlin and George Begley have put up new picket fences in front of their residences, which improve the appearance of their property, as also

The shrill sound of the steam thresher thus far averages about eighteen bushels. The barley crop on the whole is pretty well secured and in good condition.

The municipal council of West Wawa nosh, according to notice, held a meeting in the town hall on Saturday, the 10th inst. All the members were present, reeve Jas Johnston in the chair, and considerable municipal business was transacted. Next meeting to be held on September 7th.

LEEBURN.

From our cwn correspondent. Saturday morning the shrill and cheery whistle of the Elliott steamer from the peninsular township was firmly THE REASON WHY:

Will some of our Tory friends be good Thos Bettles, who made such a deep im enough to tell us how it is that whilst pression on many hearts when in this vast sums of surplus British capital are at this moment, being invested in the industries—the British investor is giving Canada a wide birth? Have we no iron, here they threshed out the Ridgewood

by the MacKenzie River, it would be found that our natural wealth is actually larger than that of our neighbors. Our larger than that of our neighbors. Our labor is as cheap as American labor; our water-power, water-ways and railroad facilities relatively as good and convenient; our people every bit as intelligent and enterprising. What, then, is the matter with Canada, that these British their money, and invest it in building tup the industries of the South, the West and labor is as cheap as American labor; our people every bit as intelligent and enterprising. What, then, is the matter with Canada, that these British their money, and invest it in building the first meeting of the lodge when formed by the late S Yates, January 1876. Three years later the lodge built and labor is as cheap as American labor; our present ones, W Green, A Carter, H A and H Horton, Geo and W. Fulford, S B Williams, F and E Henderson, Mr and Mrs J Horton, Sisters Gordon, E and Edith Horton, M MacManus, A H Clutton, W MacManus and John Linklater. The three last named were present at the first meeting of the lodge when formed by the late S Yates, January 1876. Three years later the lodge built is a way and the properties of the South the West and Horton, W MacManus and John Linklater. The three last named were present at the first meeting of the lodge when formed by the late S Yates, January 1876. up the industries of the South, the West a hall of its own. Previous to that it held its first meetings in the Presbyter-We haven't a market—that is the ian church and then in the hall attached to it, which was burnt down in December, trouble. What would be the use, for 1878.
