S. H. Parsons & Sons, Photographers,

Corner of Water and Prescott
Streets,
Submit to the Artistic loving public a new line of Xmas Cards
suitable for the coming season. They are called "The Pictur-
esque," and comprise 8 local views in box with envelopes com-
plete ready for mailing. We recommend placing orders early,
as the supply is limited.
We are also showing a new line of Calendars suitable for
Xmas gifts.
All the above are the very latest from London, and only
need seeing to be admired.
We cannot conceive a more delightful gift for Xmas than a
photograph from our Studio. A photograph is truly the "Gift
of Kings."
A possession of great charm is a portrait in the "Natural
colours of Life." Briefly—these portraits are produced on a
Special Sepia paper, just a convincing likeness, with the colour
of the hair, the eyes, the face, suggested delicately in water
colour.
The Cosway is another new Style of Portrait we are show-
ing; suitably framed it makes a charming present at any time.
Ask to see them.
A choice display of some of our latest work can now be
seen in the Vestibule, Water Street entrance.
Our Xmas trade has now begun, and it is imperative that
orders should be placed as soon as possible to avoid disap-
pointment.—nov2.s.m.w.s
