### Celebrated Norwegian Jigger

Fishermen should use these Jiggers  
 and jig them with swivels same style  
 as in Norway, then the Jigger acts  
 like a minnow, so that instead of jig-  
 ging they really snag the Jigger and  
 in this manner you never fail to catch  
 them. Ordinary leads can be used,  
 but the Norwegian style seems more  
 simple and easily made. Our fisher-  
 men should try this great Norwegian  
 fish killer.
