ARE MORE BECOMING THAN FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Torics much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.

Heal With Heat!

Pain and soreness is a sign of congestion. The blood is improperly circulating somewhere. Heat relaxes the parts and equalizes the circulation. The prompt application of a HOT WATER BOTTLE will cure many ailments quicker than internal medicine—and it's a natural way of curing. This modern appliance is apt to be needed any hour in the home. Costs too little to be without—\$1.00 to \$2.50, with several prices in between.

Come to us when you need anything a good drug store ought to have—it's here, and we'll take pleasure in showing you how well we can serve you.
