PLAGIARISED AND OTHERWISE.

INTER-TOWN SERIES.

At the meeting of the League held Tuesday night it was decided to extend the same courtesy to Grand Falls as was made them last year by going out there with a City team to compete for the Inter-town Cup, they having written it was impossible to make arrangements to come to St. John's. They are holding their annual Sports' Day on Saturday, Sept. 14th, and are devoting all proceeds to the W.P.A. Major Montgomerie, manager of the City team, is looking after the personnel of the St. John's team. The players will leave here on Thursday, 12th inst. The first game will be played Friday afternoon and the other games on Saturday, the team returning by Monday's express. Any fans desiring to go along with the City team are requested to get in touch with the Acting Secretary of the League, so that arrangements may be made regarding transportation and accommodation at Grand Falls.

NEXT WEDNESDAY.

The fans will have plenty of baseball on next Wednesday, the 11th inst. Two games will be played, one in the morning and one in the afternoon. Due advertisement will be given.

A SUGGESTION.

Editor Baseball Column.

Dear Sir,—The averages published in your column a few days ago furnished a great source of interest to that great and august body of fans, to which I beg to subscribe myself as one of them.

This being so, I take the opportunity now of suggesting the All Star City Team, and if any player or fan can suggest an improvement I should like to see it published—particularly as in a few days the "home team" will be journeying forth to Grand Falls to play for the Reid Cup in the inter-town series.

Batteries: Of course the choice, without further discussion, falls upon the Irish and famous Cubs' batteries, viz., Carew and Brazie; Hall and Clouston.

1st Base: Hiltz's leading batting average of .647 entitles him without question to his old position on the City team.

2nd Base: This offers some difficulties. The choice is to be made between Duggan and Williams. The former has an average of .391 and the latter .233. Williams has however proved his superiority over the "Demon" as custodian of the keystone, and in order to make the infield airtight I would give Williams the choice.

Shortstop: This boils down to Murphy and McCrindle. However, Murphy has a hundred per cent batting average over McCrindle (.416 to .200) so that Joe is the logical choice.

Third Base: Power, Quick and Canning are the runners up for this position with a batting average of .111, .260, and .380 respectively. While the Doc is undoubtedly the better baseman of the three, he is eliminated by Canning's clever batting and speed on the circuit.

Outfield: I would put our three heaviest hitters in the outer gardens, viz., Hartnett, Phelan and Britt, whose batting averages are .458, .428 and .400.

Spares: Ordinarily the spares are desired to be utility men as well as good hitters. Fortunately this season the next two runners up in the batting averages are Duggan and O'Reilly who recorded .391 and .333. Both are basemen as well as having served their apprenticeship in the outfield.

The City lineup, according to the season's averages, should therefore be:

Pitchers
Hall ..... .517
Carew ..... .366

Catchers
Clouston ..... .450
Brazie ..... .400

1st Base
Hiltz ..... .647

2nd Base
Williams ..... .288

3rd Base
Canning ..... .380

Shortstop
Murphy ..... .400

Outfield
Hartnett ..... .458
Phelan ..... .428
Britt ..... .400

Spares
Duggan ..... .391
O'Reilly ..... .333

Each player's batting average— .393

I would therefore submit to Major Montgomerie, the manager of the home team, that the above combination cannot be improved upon, as the above thirteen men which comprise the team are correctly placed in their usual playing positions, and in addition are the leading thirteen batters of the League.

Yours truly,
A FAN.

The Sunday School children of St. Thomas's held their annual picnic at Ross's Field yesterday and spent a most enjoyable day. Quite a large number of visitors were present, including Revs. Dr. Jones, H. Gordon, Canon Field and (Capt.) Clayton. Teas and refreshments were served during the afternoon by the St. Thomas's Women's Association, the proceeds of which will be devoted to the Cartwright Mission, Labrador. The sum realized exceeded all expectations.

Get the suit that is made to do what you want it to do. That is give satisfaction, $16.50 to $45.00, at W. R. GOOBIE'S, just opp. Post Office.
