

—VINCENNES BRACONFIELD, wife of the Right Hon. Benjamin Disraeli, who died on Saturday, was considerably advanced in life. In the year 1815 she married Wynham Lewis, M.P., who died in the year 1828. In the year 1838 Lady Bracoufield was married to Mr. Disraeli. Her maiden name was Mary Anne Bracoufield, and her present title was created in 1852, on the suggestion of her husband, who refused a title for himself. She was a noble helpmate to her distinguished husband, who required her able assistance and affection. There was no shadow of the marriage and it is said that the name of Disraeli will probably be extinct within thirty years.

James Ward, of Toronto, challenges all the world to a match for \$500 at 100 snow birds, and Ira Paine at fifty pigeons for 200, or at fifty pigeons and fifty snow birds and fifty pigeons for \$400.

The telegraph announces the death of the Hon. William Garvie, a Nova Scotia statesman of great promise, and Commissioner of Mines in the Local Government.

THE LATE FIRE AT MR. BURTON'S.—In the report of this fire in our issue of the 5th one or two inaccuracies occur which we now correct. Mr. Sutton's stock, grain, implements, &c., were insured in the Hamilton Mutual Insurance Company for \$800, and Mr. Abbot, the proprietor of the farm, had the barn insured in the same company for \$150. We need scarcely say that in neither case is the amount of insurance at all commensurate with the extent of loss sustained by proprietor and tenant. These and similar cases should only be more forcibly convincing everybody having valuable property, to insure at once not only in some reliable company, but to an extent proportionate to the real value of the property.

At nine o'clock on Sunday morning, smart shocks of earthquake were felt at Portland, Oregon, Seattle, Washington Territory, Victoria, Vancouver Island, and at other points on the Northern coast. There were three series of shocks; no damage resulted.

BREAKFAST—EPPS'S COCOA.—(GRATEFUL and COMFORTING).—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many doctors' bills. *Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labeled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

It is an established fact, that consumption can be cured; but it is far better to prevent the cruel disease from fastening itself on the system, by the timely use of a remedy like Dr. Wistar's Balsam of Wild Cherry. This standard preparation will speedily cure a cough or cold, and consumption often yields to its great power.

North Haven, Knox County, Me., 12th June, 1871.—Mr. James L. Fellows, Chemist, St. John, N. B.—Dear Sir: Having used your chemical preparation of Hypophosphites, which was recommended to me by Mr. Blagdon, Apothecary, Rockland, I am truly surprised with its wonderful effects, because for several years my health has been declining, notwithstanding every means possible, which offered encouragement, was used by me. Several alarming symptoms appeared, amongst which dyspepsia, palpitation of the heart, impoverished blood, and great prostration. Since January, when I began the use of your Syrup, my health has steadily and amazingly improved, so that now it gives me great pleasure to recommend it to others, and in this way to show my gratitude for return of health. To all who require a remedy for debility, I would say they will find your Compound Syrup of Hypophosphites just what you say it is. I believe it is the best preparation in use. I am, sir, &c., ELIASH CHARTRE, J. P.

IF You Have Been an Invalid for years with some Chronic Wasting Diseases of the Lungs, Heart, Liver, or Kidneys, you need not flatter yourself that medicine is going to cure you immediately. Repair goes on slowly, and time is necessary to build up a broken down constitution. Do not take every nostrum you read about, nor follow the advice of every friend who has a specific to offer you. Procure a remedy scientifically prepared, that is the result of experience, and has a large amount of evidence of successful people in favor of its reliability, and persevere in its use until the whole system undergoes a radical improvement, and health is restored. **DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALLSAIA**, a Chemical Food and Nutritive Tonic, will meet your most sanguine expectations, as it combines everything necessary to perfect digestion, Nutrition, and the Formation of Healthy Blood, and to vitalise all the organs and tissues of the body. SEWING MACHINE!

Give "THE OSBORN" a trial before purchasing any other; you are certain to be pleased with its work.

Beware of cheap, flashy machines claiming to have received first prizes. No leading show this season have they secured any. Competent judges have declared them unworthy, both as regards principle of construction, material employed, and work performed.

Machines given against easy terms of payment. AGENTS and others in want of employment during the winter will do well to give us a call. Chances to make money unprecedented.
