

IN AND AROUND TOWN

The schools close for the Easter vacation on Thursday next.

Miss Bennett, of Rodney, is the guest Mrs. Geo. Sidwell.

Miss M. Sparring, of the Amherstburg postoffice station, is spending a month with relatives and friends in town.

Mr. G. N. Giddy, who has been in failing health for some time, left for his former home at Port Hope on Monday.

The first maple syrup of the season made its appearance on the market on Friday, selling at \$8 per gallon. The supply so far has been limited.

Miss Edythe Russell, who recently underwent an operation for appendicitis in Victoria Hospital, London, has recovered sufficiently to return home.

A splendid program will be provided for the concert and entertainment to be given by the Citizens' Band on Good Friday night, when, doubtless, this popular organization will be greeted by a full house.

L. Stevenson, of the Department of Agriculture, will give an illustrated lecture on "The Development of the Home Grounds" in the Memorial Hall on Monday evening next. The lecture is being given under the auspices of the Horticultural Society.

Just as people were beginning to think that spring had actually arrived Old Winter suddenly appeared on the scene, Sunday was a typical spring day, when a hike was a joy, but on Tuesday four hours elapsed the temperature dropped and mid-winter weather prevailed.

The fishery owned by the late Bert Clay, of Port Talbot was offered for sale by public auction in Dutton, on Friday, but the highest bid, \$4,000, did not reach the reserved bid, and as a result it was not disposed of. It is understood that other offers have since been made for the property, but as yet they have not been accepted.

The ratepayers of the Wallacestown public school have declined to endorse the proposed plan of erecting a school building in combination with the community hall. At a largely attended meeting, on Friday the idea was voted down by 27 to 10, but a new school site in the southern portion of the village was approved of.

Second reading has been given in the Senate to Senator Lynch Stannett's bill to make it an indictable offence for any person to solicit the sale of stock unless the solicitation is authorized in writing by Dominion or Provincial authorities. The proposed legislation does not apply to solicitation by public advertisement or printed circulars.

The death occurred at his home in Metcalfe, north of Glencoe, on Sunday, of Mr. Daniel McGreggor, after a few days' illness with pneumonia. He was 75 years of age and a life-long resident of that township. He leaves his wife, formerly Miss Nancy McAlpine, of Dutton, and two daughters and one son. The funeral was held Tuesday to the Kilmartin cemetery.

The death occurred Thursday morning at his residence near Shelden of Joseph Jackson, a well-known and respected resident, after an illness of some months. Deceased leaves to mourn, two sons, Morris, at home, and Clarence, west of Shelden; two daughters, May and Edna, at home; also one brother, Isaac, of Shelden, and one sister, Mrs. John McAllister, Dutton. The funeral was held on Saturday from his late residence to the Shelden cemetery.

McKILLOP—ALLEN

The home of Mr. and Mrs. T. A. Allen, 28 Biggar avenue, Toronto, was the scene of a quiet but very pretty wedding on the afternoon of March 14, when their second daughter, Lilian, was united in marriage to Rev. John McKillop, of Hyde Park. The ceremony was performed by Rev. Dr. Henry, of Deer Park Presbyterian church. Standing beneath a beautiful arch of similiax and roses, the bride was charming in a gown of white Canton crepe with pearl trimmings and embroidered veil, caught with orange blossoms and wearing pearls and handsome pin, gifts of the groom. She carried a shower bouquet of Ophelia roses and lily of the valley. During the signing of the register Miss Eva Cameron sang. After a dainty supper was served, Mr. and Mrs. McKillop left for their wedding trip.

THE CHURCHES

—Methodist—

Mrs. J. A. Shull visited Leamington and gave an address on Sunday, it being the occasion of the W.M.S. anniversary.

The "Lil' Wires" young ladies' class of the Sunday school were the guests of Miss Donna Kaufman on Tuesday evening. A "Happy Evening" proved a success, when every member of the class contributed to the program.

The many friends of W. A. Cavanaugh are pleased to hear of the splendid reception his musical numbers received at the Adult Bible Class banquet held in Rodney on Friday evening, when Rev. Dr. Clark, Moderator of the General Assembly, was present and gave an able address.

The Easter thank-offering meeting of the W.M.S. was held at the parsonage on Tuesday afternoon. A large number were present and the special Easter program was thoroughly enjoyed, as well as the chapter of the study book, dealing with "Social Welfare Work in Mission Lands," in charge of Mrs. Stansell. A very liberal Easter offering was received. After the program Mrs. Morrill read an address, expressing the appreciation of the good work of Mrs. C. Dahl, vice-president of the Auxiliary, while Mrs. J. Miller presented her with a life-membership certificate. Mrs. Dahl, although taken suddenly by surprise, thanked the ladies for this token of their goodwill.

PREMIER FINDS NEW CLOVER

A new sweet clover, which promises to rival alfalfa as a hay crop, has been discovered by Prof. J. G. Hume and Premier Drury. Five years ago on their farms in Simcoe county these two gentlemen noticed a few very bushy plants in a field of white sweet clover. The plants were shorter than the regular crop, stood more, and contained a higher percentage of leaf. While blossoming about the same time as the regular clover, the seed matured several days earlier and on this account was easily separated from the main crop. Saving this seed, Prof. Hume and the Premier planted it the following year.

TO BEAUTIFY BLACK'S CEMETERY

Descendants Of Pioneers Will Provide Endowment Fund

The trustees of Black's cemetery, in which many of the stalwart pioneers of West Elgin repose, and which, like many other rural cemeteries, has been sadly neglected, are to be commended on the steps they are taking to make it an attractive spot and in keeping with the memory of the dead. An effort is being made to establish an endowment fund to put the cemetery in proper shape and thus maintain it for all time. Those who are in any way interested in this historical spot are being asked to contribute to this fund, and the trustees confidently expect that the appeal will be liberally responded to.

The appeal states: "Many of the pioneers of this district are buried there, and it is due to these men and women, who spent their lives in building up the country, that their last resting place should be placed in good condition and that a fund should be provided for keeping the same in such a condition in the future."

DIVISION COURT CASES

At the first sittings of the Division Court in the new Memorial Hall on Thursday last there were only three cases on the docket, two of which were against the village.

The case against the corporation by W. Lodge for \$10 for drawing gravel was dismissed, the evidence of the reeve, Councilor Braddon and other witnesses being to the effect that plaintiff had been ordered not to draw any more gravel to the street indicated and that the gravel thus drawn was of no benefit.

William Walker was the plaintiff in the other suit, asking \$78 for teaming and cleaning a drain. It was the price for the latter work to which the council objected. The plaintiff's evidence was to the effect that ex-Councilor Lock had given him the contract for \$0; that no subsequent agreement had been made and that figures in account had not been altered. Corroborative evidence was given by M. Ronson, who assisted in the work.

Ex-Councilor deposed that no definite price had been fixed, but the cost was not to exceed \$50; the work had not been done according to instructions and that plaintiff agreed to accept \$80. Judgment was given for plaintiff, less \$7.60 for gravel placed on street without instructions.

S. O. Kirkland appeared for plaintiff and O. E. McClurg, St. Thomas, for the village.
