THE GREAT SOUTH AMERICAN

AND STOMACH AND LIVER CURE

The Wonderful HEALTH BUILDER & NERVE FOOD Chronic Diseases are caused by Deranged Nerve Centres at base of the Brain.

I ATE discoveries have absolutely proven that the Stomach, Liver. Lungs, and indeed all internal organs, are controlled by the nerve centres at the base of the brain. The manufacturer of South American Nervine has studied this subject closely for more than twenty-five years, and has lately demonstrated that two-thirds of our Chronic Diseases, are due to the imperfect action of nerve centres, either within or at the base of the brain and not from a derangement of the organs themselves; hence that the ordinary methods of treatment are wrong.

methods of treatment are wrong.

As all know, a serious injury to the spinal cord, will at once cause Paralysis of the body below the injured part, it therefore will be equally well understood, how the derangements of the nerve centres, will cause the derangement of the different organs of the body which they supply with Nerve Fluid or Nerve Force.

The wonderful success of South American Nervine is due alone to the fact that it is based on the foregoing principle. The use of a single bottle of this remedy will convince the most incredulous. It is indeed, a veritable Nerve Food and Will Relieve in One Day the varied forms of Nervous Disease and Stomach Troubles.

Nervous Diseases.

This class of diseases, is rapidly increasing each year, on account of the great wear our mode of living and labor imposes upon the nervous system. Nine-tenths of all the ailments to which the human family is heir, are dependent upon nervous exhaustion, impaired digestion, and a deteriorated and impoverished condition of the blood. The SOUTH AMERICAN NERVINITY of the property of the second states of the s is a great nerve food and nerve builder and this accounts for its marvellous power to cure the varied forms of nervous disease, such as Neuralgia Nervousness, Nervous Prostration, St. Vitus's Dance, Nervous Choking. Nervous Paroxysms, Twitching of the Muscles, Hot Flashes, Menta. Despondency, Forgetfulness, Sleeplessness, Restlessness, Nervousness of Females, Palpitation of the Heart, Sexual Weakness, etc., etc.,

'Yuil gladly state how I was afflicted and how I was delivered from my pain and suffering. I was near thirty-five years old, when I took down with nervous prostration. Our fanally physician treated me, but without benefiting me in the least. My nervous system seemed to be entirely shattered, and I constantly had very severe shaking spells. In addition to that that I could not retain anything on my stomach. Many consultations were held by physicians over my case, but they all agreed that I would never leave my bed. During the years I lay sick, my folks had an eminent physician from Dayton, Ohio, and two from Spells like spasms, and would lie cold and stiff for a time after each. At last I lost the use of my body — could not rise from my bed or walk a step, and had to be lifted like a concluded to try one bottle. By the time I had taking almost every known medicine. Fart of the time I could read a little, and one day saw an advertisement of your medicine and concluded to try one bottle. By the time I had taken one and one-half bottles I could rise up and take a step or two by being helped, and after I had taken five bottles in all I felt real well. The shaking went away gradually, and I could ear and sleep good, and my friends could scarcely believe it was I. I am sure this medicine is the best in the world, It was a gods and to me, and I believe it saved my life. A SWORN CURE FOR ST. VITUS'S DANCE.

My daughter, twelve years old, had been afflicted for several months with Chorea or St. Vitus's Dance. She was reduced to a skeleton, could not walk, could not talk, could not swallow anything but milk; I had to handle her like an infant. Doctors and replayers gave her up. I commenced giving her the South American Neeving Tonic, and the effects were very surprising. In three days she was rid of the nervousness, and rapidly improved. Four bottles cured her completely. A WONDERFUL CURE FOR INDIGESTION and DYSPEPSIA.

Loss of Appetite, Weight and Tenderness in the Stomach, Sour Stomach, Pain in the Stomach, Wind upon the Stomach, Nausea and Sick Stomach, Sick-Headache, Hiccough, Water-Brash, Heartburn, Vertigo and Dizziness, Sleeplessness, Frightful Dreams, etc. The Stomach suffers more than any of the other organs from disease,

because into it are taken so many indigestible and irritating substances as articles of food. In its great effort to digest these, it soon becomes weakened and diseased. Under such circumstances, it is not wonderful, that so many complain of Indigestion and weak stomachs. When the Stomach fails to digest and assimilate the food, the whole body falls into a state of weakness and decay, for Nature has decreed that the body must constantly receive nutriment through the Stomach, to repair the waste of tissue constantly going on in the

The South American Nervine

Is probably the greatest remedy ever discovered for the cure of all Chronic Stomach troubles, because it acts through the nerve centres. It gives marked relief in one day, and very soon effects a permanent cure. The that a cure is certain.

WHAT EX-MEMBER OF PARLIAMENT, REUBEN
E. TRUAX, SAVS.

I have been for about ten years very much troubled with indigestion and dyspepaia, have tried a great many different kinds of patent medicines, and have been treated by a number of physicians and found no benefit from them. I was recommended to try SOUTH AMERICAN NERVINE. I obtained a bottle, and i I must say I have found very great relief, and have since taken two more bottles, and now feel that I am entirely free from indigestion, and would strongly recommend all my fellow sufferers from the disease, to give SOUTH AMERICAN NERVINE an immediate trial It will cure you.
