BRANTFORD LOST
TO GALT PROS.

Brantford, Feb. 20. — The Galt professionals defeated Brantford at the game here Saturday night by a score of 4 to 3. The ice was soft, but Galt set a fast pace, with Brantford fighting hard to win. Brantford started off well, getting three goals before Galt succeeded in tallying. Despite this fact, Galt tied the score at half-time. Galt played in fine shape, while the local pros showed lack of combination.

Manager Irving refused to let his team go on the ice till Brantford placed a guarantee that it would play Galt at Guelph as arranged. Friday, Feb. 25. Manager Brown finally did this under protest.

Brantford being now six goals in the lead, Galt must win the next match by a good margin to win out.

BANK OF TORONTO
DEFEATED VISITORS

A very interesting game of hockey was played at the Princess Rink Saturday, when the Bank of Toronto met a team of bankers that have been playing in the Sarnia City League.

The Bank of Toronto team required five minutes' extra play to decide the score, which finally stood 4 to 3 in favor of the London handlers of the cash.

The ice was heavy, made fast going very difficult, and played havoc with the players. After a few minutes' play, however, the Bank of Toronto players recovered their combination somewhat, and did good work. Sarnia played an ineffectual game throughout.

The local bankers led off well, and at half-time had a score of 2 to 0 in their favor. In the second half, however, the Sarnia team braced up, and the game closed with a fast finish, in which the score finally stood 3 to 3. In the five minutes' overtime the locals succeeded in clinching the only goal, thus winning out.

Referee Hitchcock, of Sarnia, proved himself eminently satisfactory, and his work was light, as there was little roughness.

The teams: Bank of Toronto—McNab, goal; Wolfersheim, point; Hayward, cover; Bernhardt, rover; Hanley, center; Parsons, right; Clavette, left.

Sarnia Bankers—Matheson, goal; Hunt, point; Campbell, cover; Johnson, rover; Nichols, center; Cochrane, right; Cameron, left.

Referee, Hitchcock, of Sarnia.

Coverpoint's Philosophy

A copy of the Referee of Sydney has been handed to the Advertiser, containing a very fine account of the Burns-Johnson fight. As would be expected, the report is a very minute, well-written one, and covers the great contest from every angle. There are two things that stand out, both in the account of the battle and the pictures, that Johnson had it over Burns in strength and size. He is much bigger and looked more than the difference in pounds. They also show that Tommy made a mistake in roughing it with his burly opponent, and it was in the clinches and infighting that Johnson wore the Canadian down, and eventually beat him. The writer calls attention to the fact that Burns was over-trained, that he was light, and lacked the vim and go of his previous battles. He also shows by the account that Johnson lost a lot of favor among the Australian fight lovers because of his attitude before and after the fight. Burns was not out by any means when the police interfered, but he was tired and quite badly punished.

"My Wife's Family, or Who is Boss since Panagiotis Jumped the Job?" is a cute little thing being edited by T. Longboat and the family these days.

The O. H. A. Intermediates are slimming down, and this week, provided, of course, there is ice, will likely see winners. That Stratford team is good, and the Lindsay team is some class, and it looks as if the championship would lie somewhere between them.

The ice is likely to be slow from this time on, thus affecting Stratford's chances more than the others.

The ballplayers have started south in considerable numbers, and from now on it looks as if the championship will delight the admiring fans. When the season opens, of course, they will not be so much in evidence.

Tom Longboat is making no effort apparently to get in shape for Alfie Shrubbs on Thursday night, and it looks as if there will be no race, as he is so fat. The Indian should give Shrubbs the race he promised, but it looks as if he will not do so until some time after 4 o'clock. The prizes are worth while competing for.
