Why pay \$7 for Trouserings when you can get the same at Jamieson's for \$8.50?

The choice of any panting in the window for \$3.50, for one week only.

Ihave two hundred and fifty thousand dollars (\$250,000) worth of Clothing more than I should have at this time of year. The warm weather has stayed with us so long that it will now make no difference if it goes down to zero or 20 below.

This great slaughter sale will still go on. Every dollar's worth of Clothing marked down, some at cost; large lots away below cost. I shall experience a big loss in this great mark down, but the loss might be more should I keep the stock until next winter. I do not propose to keep it. The consumer will get the benefit. If the weather gets cold the goods will go so much the faster. My stock consists of gorgeous custom-made Overcoats; made in my own shop from the latest English fabrics, lined with Fine Worsted and Silk Serge; Satin Sleeves. Every Overcoat is worth from \$20 to \$25, and is equal to custom work at \$35 to \$40. If any merchant tailor can tell the difference I will present the Overcoat free of charge. I have hundreds of Fur and Plain Beavers, Corkscrew, Melton and Elysian Overcoats. Men's and Boys' Suits at proportionable reduction.

PANTS, PAN IS--Over 2,000 Pairs to choose from \$4.50 Pants Reduced to \$3 down. I will make in my Custom Department any Tweed Suit or Overcoat at nearly cost price. Remember, I have Not Marked Down a Few Goods to Humbug People, but my Entire Stock will be Slaughtered.
