It will be seen that during the year 1906, there were 53 patients in the Council met at 1.30 o'clock.

#### CHANGES AND APPOINTMENTS.

During the year various changes have taken place, and it is here where 3.09 our greatest difficulty arises. Very often we were obliged throughout the year to carry on the work of the Hospital without the required help, owing to the fact that suitable help could not be procured. The following is the report.
