

BERKSHIRES AND SHROPSHIRE A SPECIALTY At ELM GROVE FARM.

PRINCESS, WINNER OF THE 1st PRIZE AT THE ROYAL SHOW AT PRESTON.

I HAVE on hand and for sale some of the finest Berkshires that ever were offered for sale in this country. I am prepared to supply either imported or home-bred boars, fit for service, sows in farrow, and young pigs. I will also book orders for sows, to be bred for early spring litters, out of imported sows and dam, and bred to a first-class imported boar. I also have a few choice Shropshire Down sheep for sale, both imported and bred from the finest of imported stock.

FALL FAIRS.

The only Silver Medal
ever awarded to any
Food in the Dominion

HORSES, CATTLE, SHEEP, PIGS OR FOWLS

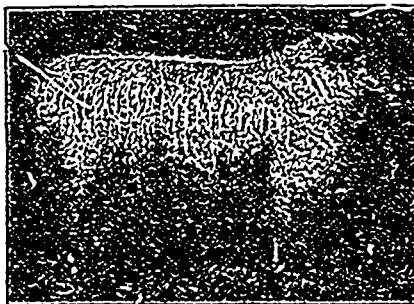

Intended for exhibition at the Fall Fairs throughout Canada will be materially improved in condition and appearance for show purposes if a little

THORLEY'S IMPROVED HORSE AND CATTLE FOOD

is added to their daily feed. Many stockmen who exhibit at the leading fairs now feed it by the 100 lbs. As there are cheaper preparations on the market, sold on the reputation of our Food, we are obliged to caution the farmers against them, and urge upon them the importance of being sure they get the HAMILTON THORLEY, and see that our trade mark and silver medal are stamped on every bag. It contains no arsenic, antimony, copperas, or other poisonous ingredient, and can be fed with perfect safety. For sale in nearly every town or village in Canada, in quantities of 100 lbs. and under at from 6 to 8 cts. per lb. If it can not be secured in your locality write to the Company. For testimonials and directions for using, see circulars.
