Trotting of the Week.

TWO DAYS AT GUELPH.

First Day.

GUELPH, *August 21st.*—It was a fine day and the track was excellent for the fall meeting of the Guelph Trotting Association. In the 2.42 class nine horses started. When scoring Lady Alexander's driver fell and the mare ran away, but was caught before any damage was done. Epitaph won the two first heats nicely, and had the third well in hand, but broke at the three-quarter pole, and was passed by Nottingham, who won by a neck. The next two heats and the race fell to the latter horse, who showed the best staying power.

The 2.34 class brought out six starters. Chestnut Hill Jr. won the first heat, but Miller Boy and Gipsy Boy fought out the remaining heats, making a splendid race. Miller winning the last, Gipsy got second money and Chestnut third. The 2.17 class brought out four speedy racers. Lady Watson took the lead in the first heat and was never headed, making a record of 2.21¼ on the Association's half-mile track. In the second heat the mare could not be kept on her feet, and Gertie B., the old reliable, won easily. Axtell and Dick Smith also started. Summaries:

LEPINE PARK AUGUST MEETING.

Starter—A. Langevin.
Judges—J. H. Kennedy and J. McVey.

First Day.

MONTREAL, *August 21st.*—There were some good trotting races at Lepine Park to-day, the occasion being the opening of the August meeting. The management was excellent, and some of the fresh young men who thought they could bluff the judges, got the decision where the baby got the mumps. The judges were lenient with Silverton's driver, and only set him back when he should have been sent to the barn, and for that matter a small fine clapped on would not have been amiss, for Benedict did some exceedingly foul driving. In the 2.50 class King Wilkes suffered for the foolhardiness of his skipper, and was knocked out of any money at all. He had a good chance for second money, but he overdid himself in the fourth heat. He finished first in this heat, after having run about three-quarters of a mile and by way of reminding him that it was a trotting race, the judges put up the ominous three letters "dis" after his name when the board was hung up.
