

DONALD KENNEDY Of Roxbury, Mass., says

Don't write to me when taking the first bottle of my Medical Discovery. I know how it makes you feel, but it's all right. There are certain cases where the Discovery takes hold sharp, but it is the diseased spot in you it has taken hold of, and that's what you want. The Discovery has a search warrant for every humor, from backache to scrofula, inside and outside, and of course it makes a disturbance in your poor body, but the fight is short, you are better by the second bottle; if not, then tell me about it, and I will advise. I will, however, in the future, as in the past, answer any letter from a nursing mother.

Sincerely yours,

DONALD KENNEDY

Ayer's Cherry Pectoral

Will cure a Cold more thoroughly and speedily than any other preparation in use. This medicine is especially beneficial in all affections of the Throat and Lungs, and affords effectual relief even in the advanced stages of Consumption. Thousands of cases of Pulmonary diseases, which have baffled every other expedient of human skill, have been completely cured by the use of Ayer's Cherry Pectoral. For fifteen years I was afflicted with Lung troubles. Ayer's Cherry Pectoral relieved the distressing symptoms of this disease, and entirely cured me. It is the most effective medicine I have ever used. — C. M. Fay, Prof. of Anatomy, Cleveland, Ohio.

While in the army I contracted a severe cold, which settled on my Lungs, resulting in exhausting fits of Coughing, Night sweats, and such loss of flesh and strength that, to all appearance, Consumption had laid its "death grip" upon me. My comrades gave me up to die. I commenced taking Ayer's Cherry Pectoral, and it

Last year I suffered greatly from a Cold, which had settled on my Lungs. My physician could do nothing for me, and my friends believed me to be in Consumption. As a last resort, I tried Ayer's Cherry Pectoral. It gave immediate relief, and finally cured me. I have not the least doubt that this medicine

CURED ME.

In the twenty years that have since elapsed, I have had no trouble with my Lungs. — B. B. Bissell, Editor and Publisher Republican, Albion, Mich.

Ayer's Cherry Pectoral cured my wife of Bronchitis, after friends and physicians (so severe was the attack) had almost despaired of her life. She is now in perfect health. — E. Felter, Newtown, O.

When about 22 years of age, a severe Cold affected my lungs. I had a terrible Cough, could not sleep, nor do any work. I consulted several physicians, but received no help until I commenced using Ayer's Cherry Pectoral. I continued to take this medicine, and am satisfied it saved my life. — C. G. Van Alstoy, P. M., North Chatham, N. Y.

SAVED MY LIFE.

I am now ruddy, healthy, and strong. — James M. Anderson, Waco, Texas.

Ayer's Cherry Pectoral cured me of Throat and Lung troubles, after I had been seriously afflicted for three years. The Pectoral healed the soreness of the Lungs, cured the Cough, and restored my general health. — Ralph Felt, Grafton, O.

Twenty years ago I was troubled with a disease of the Lungs. Doctors afforded no relief, and said that I could not live many months. I commenced using Ayer's Cherry Pectoral, and before I had finished one bottle, found it was helping me. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life. — Samuel Griggs, Waukegan, Ill.

Equal Rights.

All have equal rights in life and liberty and the pursuit of happiness, but many are handicapped in the race by dyspepsia, biliousness, lack of energy, nervous debility, weakness, constipation, etc., by completely removing these complaints Burdock Blood Bitters confers untold benefits on all sufferers.

MRS. BROWN: What made you chalk your name on my new table? Little Johnnie: 'Cause I'd lost my jack-knife.

NATHAN PLUMMER, M.D., of Auburn, N.H., says that he has used WISTAR'S BALSAM OF WILD CHERRY in his practice for more than ten years, and finds it the most effectual remedy within his knowledge. He recommends it with great confidence to those subject to coughs and pulmonary complaints.

A WELL-KNOWN politician was under discussion at a club-house the other evening. "He claims to be an agnostic, doesn't he?" asked one. "Only as to religion," replied another. "As to everything else, he knows it all."

"ARE those shoes too far gone to repair?" "No, indeed. I think a new pair of uppers, with soles and heels, will make 'em all right. The laces are good."

The People's Mistake.

People make a sad mistake often, with serious results when they neglect a constipated condition of the bowels. Knowing that Burdock Blood Bitters is an effectual cure at any stage of constipation, does not warrant us in neglecting to use it at the right time. Use it now.

We cheerfully recommend any preparation that stands as high as SLOCUM'S OXYGENIZED EMULSION OF PURE COD LIVER OIL. It has crept into the confidence of the public solely through its merits. For wasting diseases of throat or lungs all druggists will testify to its efficacy.

"THE awkwardest thing in the world," says a cynical neighbour, "is a woman handling a gun." "Dunno about that; did you ever see a man handling a baby?"

Imperial Federation

WILL present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry, the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhoea, dysentery, and all summer complaints, to every part of the Empire. Wild Strawberry never fails.

"HE shouldn't say shoulder arms to those cavalymen." "Why not?" "They have nothing but swords. He ought to say shoulder blades."

What is a Day's Labour.

ONE day's work for a healthy liver is to secrete three and a-half pounds of bile. If the bile secretion be deficient, constipation, ensues; if profuse, biliousness and jaundice arise. Burdock Blood Bitters is the most perfect liver regulator known in medicine for preventing and curing all liver troubles.

JIMMY: How old are you now, Tommy? Tommy: I dunno; on the railroad I'm always under twelve, but when dad hired our flat I was fifteen.

Mining News.

Mining experts note that cholera never attacks the bowels of the earth, but humanity in general find it necessary to use Dr. Fowler's Extract of Wild Strawberry for all complaints, dysentery, diarrhoea, etc. It is a sure cure.

KANSAN (visiting in New Haven): Run for the cellar! That's a cyclone comin'! hear the rumpus. Host: Oh, don't be alarmed, Kan! It is only a party of Yale students bent on having a little gentlemanly amusement.

If there are any of our subscribers that have not tried Imperial Cream Tartar Baking Powder, we by all means urge them to do so, as it really is the best we ever found, and makes biscuits that are delicious. — (Ed.)

WATTS: What induced you to call your dog "Tree"? POTTS: Because he stays in the house all night and never utters a sound. All his bark is on the outside.

Great and timely wisdom is shown by keeping Dr. Fowler's Extract of Wild Strawberry on hand. It has no equal for cholera, cholera morbus, diarrhoea, dysentery, colic, cramps, and all summer complaints or looseness of the bowels.
