

Poetry.

SATURDAY EVENING.

How sweet the evening shadows fall  
Advancing from the west  
As eads the weary week of toil,  
And comes the day of rest.

Bright o'er the earth the star of eve  
Her radiant beauty sheds;  
And myriad sisters calmly weave  
Their light around our heads.

Rest, man from labor, rest from sin:  
The world's hard contest close,  
The holy hours with God begin—  
Yield thee to sweet repose.

Bright o'er the earth the morning ray  
Its sacred light will cast,  
Fair emblem of the glorious day  
That ever more shall last.

LANGLEY'S ANTIBILIOUS APERIENT PILLS. The great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value as a judicious means of increasing their sale have been resorted to by putting advertisements—no certificate published respecting them.

These Pills are confidently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Constipation, Headache, want of Appetite, Flatulency and the numerous symptoms which result from derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation and are so gentle and effectual in their operation that they may be taken by persons of both sexes at any time with perfect safety. Prepared and sold Wholesale and Retail at LANGLEY'S DRUG STORE, Hollis Street, Halifax Nov. 20, 1852.

THE RENOWNED REMEDY  
HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS ULCERS.—A CASE CERTIFIED BY THE MAYOR OF BOSTON.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To Professor HOLLOWAY,  
Dear Sir,—Mrs. SARAH DIXON, of Liquorpond Street Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body, and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse. Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that an was used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health. I remain, Dear Sir, your truly,  
Dated August 12th, 1852. (Signed) J. NOBLE.

AN EXTRAORDINARY AND RAPID CURE OF ERYSIPELAS IN THE LEG. AFTER MEDICAL AID HAD FAILED.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Dymor, Sussex, dated Jan. 14th, 1853.

To PROFESSOR HOLLOWAY,  
Dear Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and I am happy to say the result was eminently successful, for they effected a radical cure of my leg and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful Serv't.  
(Signed) ELIZABETH YEATES.  
A DREADFULLY DISEASED ANKLE CURED AFTER BEING GIVEN UP BY THE FACULTY, AT MALTA AND PORTSMOUTH HOSPITALS.

The accompanying communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King St., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 18th, 1853.

To Mr. DIXON,  
Dear Sir,—I stand you the particulars of a cure effected by Professor Holloway's Invaluable medicines—Mr. JOHN WALTON, late in Her Majesty's service, in the British Fleet at Malta, had a very bad ulcerated ankle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate four months, there, as at Malta, refusing to have the ankle amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ankle became so much worse that all hope was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which by unremitted application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly,  
SURPRISING CURE OF A BAD BREAST, NERVOUS DEBILITY AND GENERAL ILL HEALTH.  
Copy of a Letter from Mr. F. F. Ker, Chemist, &c. Lower Moss-lane, Manchester, dated Feb. 12th, 1853.

To PROFESSOR HOLLOWAY,  
Dear Sir, I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mrs. MARINA BELL, of Pitt street, in this Town, had been for a considerable time labouring under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result. In fact, she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have recourse to your invaluable Ointment and Pills, which she immediately used, and in the course of a very short time the effect produced was most astonishing. Her appetite was speedily improved, the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed. I remain, Dear Sir, yours faithfully,  
(Signed) T. FOSTER KELL.

The Pills should be used conjointly with the Ointment in most of the following cases—  
Female Irregularity, Scrofula, or King's Evil
