

us to express a wish for many happy years of usefulness for Sir James and Lady Paget."

TREATMENT OF THRUSH IN CHILDREN.—Dr. Descroizilles (*Lo Sperimentale*), in case that the child cannot gargle, washes out the mouth with either emollient decoctions or infusions or irrigates with a solution of the bi-carbonate of soda or oxygenated water. The affected spots are also touched with the nitrate of silver. Then he advises locally:

Boric acid (dr. $2\frac{1}{2}$) 10/0 gram.
Glycerine (oz. $1\frac{1}{2}$) 50/0 "

German See employs the follows:

Starch (dr. 1) 4/0 gram.
Powdered borax (dr. 1) 4/0 "
Pure glycerine (dr. 5) 20/0 "

In obstinate cases G. Simon praises:

Chloride zinc (grs. 15) 1/0 gram.
Alcoholized water (pints 2) .. 1 litre.

This solution may be either applied with a brush or used as a mouth wash.

Widal applies Van Swieten's solution to the effected parts in rebellious cases.--*Lancet Clinic*.

LAKEHURST SANITARIUM

OAKVILLE, ONT.

FOR THE TREATMENT OF

INEBRIETY

(Habitual and Periodical.)

MORPHINE, and other

DRUG HABITS and

NERVOUS DISEASES

PHYSICIANS generally now concede that these diseases cannot be treated with entire success except under the conditions afforded by some **FIRST-CLASS SANITARIUM**. Such an institution should be a valuable auxiliary to the practice of every physician who may have patients suffering from any form of these complaints, who are seeking not relief merely, but entire restoration to health. The treatment at **LAKEHURST SANITARIUM** rarely fails to produce the most gratifying results being scientific, invigorating, thorough, productive of no after ill-effects, and pleasant to the patient. The usual time required to effect a complete cure is four to six weeks.

LAKEHURST PARK is a well-wooded expanse of several acres extent, overlooking Lake Ontario affording the utmost privacy if desired, and the surroundings are of the most picturesque description. The Sanitarium is fully equipped with every necessary appliance for the care, comfort, convenience and recreation of patients. Terms upon application to

C. A. MCBRIDE, M.D., MEDICAL SUPERINTENDENT

OAKVILLE.
