ITS WONDERFUL DURABILITY

London and Lancashire Fire Insurance Company. Head office, Toronto Mar. 26th, 1885. Dear Sir:—I am sending you my Type-Writer to be remodelled. As I think you are aware, I have had this machine some seven or eight years; have done an immense amount of work with it, and have never yet had breakage, nor has it ever been out of order or had a penny expended on it for repairs or anything else. Yours truly, A. Sims, Manager for the Dominion. Circulars on application.
