Commercial Summary.

TWENTY-five thousand barrels of crude oil were sold at the Petrolia, Ont., Stock Exchange on the 17th inst. The market opened at 84 cents per barrel, and closed at 91 cents, with a still further upward tendency.

Mr. JOHN M. M. Duff, of this city, has been appointed a Commissioner of Deeds for the State of Maine.

SIRROID Lapointe, of St. Eloi, Temiscouata Co., Que., has assigned in trust to L. B. Dionne of River du Loup; liabilities unknown.

A LONDON, ONT., despatch says George D. McKay, hatter and furrier, assigned this morning; liabilities \$15,000 to \$20,000; assets \$4,000 or \$5,000 short of that amount.

Mrs. O'LEARY, milliner, of Winnipeg, Man., who commenced business last summer, has assigned in trust to T. H. Dorritty, with liabilities amounting to \$2,127.48. The stock-in-trade valued at \$1289.90, was sold to Hugh Holmes at 39½c on the dollar.

CHARLES W. WEED, cashier for Milmine, Rodman & Co., Chicago, who recently absconded with \$25,000, of the firm's money, has returned the amount to his employers, being unable to withstand the pangs of remorse. He will remain in Canada until assured that he will not be prosecuted, should he return to the "Land of the Screaming Eagle."

For some time past the price of grain in the Northwest has continued to move upward, and has now reached a fairly satisfactory figure for the best varieties. The majority of farmers, however, are still holding back their grain in the belief of a further improvement. No doubt there will be an enormous export of wheat from Manitoba and the Northwest in the first half of the current year.
