

News and Notes.

ACCORDING TO GEO. P. ROWELL & Co.'s OFFICIAL REPORT FOR 1882, AND THE SWORN STATEMENT OF ITS PRINTERS, THE CHURCH GUARDIAN HAS DOUBLE THE CIRCULATION OF ANY OTHER CHURCH PAPER IN CANADA, BEING NOW OVER 6,000 WEEKLY.

A scheme has been set on foot for opening a ship canal between Liverpool and Manchester, at a cost of 5,400,000l.

There is hardly an adult person living but is sometimes troubled with kidney difficulty, which is the most prolific and dangerous cause of all disease. There is no sort of need to have any form of kidney or urinary trouble. Hop Bitters is taken occasionally.

A collection of gold medals, valued, it is said, at 1,000l, was stolen last week from the Grenoble Museum.

\* \* Too late to whet the sword when the trumpet sounds to draw it. But never too late to whet your appetite by taking Kidney-Wort, restoring health and making yourself a well, strong, hearty man. It is unequalled as a remedy for all liver, bowel and kidney diseases. All druggists keep and recommend it.

At an early meeting of the Common Council, a proposal will be made to present Sir Garnet Wolseley with an address of congratulation in a gold box, and Sir Beauchamp Seymour with a sword and the freedom of the City, and, also to entertain the two commanders at an expense of £2,000.

Young and middle aged men suffering from nervous debility, premature old age, loss of memory, and kindred symptoms, should send three stamps for Part VII of pamphlets issued by World's Dispensary Medical Association, Buffalo, N. Y.

In the Madras Presidency during 1881 £2,025 was paid as rewards for destroying 536 tigers, 750 panthers and leopards, and 143 other animals. 1,302 persons and 8,938 animals were killed by wild animals and snakes, tigers killing 135 people and 3,328 cattle. The cattle killed by wild animals in the presidency during the year are valued at £17,786.

FROM ROSWELL M. KENNY, M. D., OF MANNSVILLE, N. Y.—I do not hesitate to say that the PERUVIAN SYRUP has claims to confidence equal if not superior to those of any medicine that has ever come to my knowledge. I have used it with great success for Dyspepsia and Epilepsy. Sold by dealers generally.

It is said that the War-office will be recommended to make a money grant to the officers and men of the Egyptian expedition, to compensate them for the losses sustained on service, which have been very considerable, owing to the nature of the climate.

COVETOUSNESS IN DISGUISE.—The wonderful success of James Pyle's Pearlina has given rise to a flood of imitations with an 'ine' to their names, evidently to have them sound like Pearlina. Enterprises of this sort are quite liable to be more selfish than beneficial.

Guessing on the cost of the season's strikes is pretty wild work, but the figures are certainly very large. One estimate places the loss of men in wages at over \$6,000,000, probably \$12,000,000 to employers, and \$30,000,000 to the general public and those whose business was specially interfered with by the contest.

A cough or cold taken between now and Christmas frequently lasts all winter. This is certainly the case with people who have weak lungs. The most convenient, reliable and inexpensive remedy is Johnson's Anodyne Liniment. It is to be used internally and externally.

Last winter we warned our readers against buying the large packs of worthless horse and cattle powders, and as it is now time to begin to use them, we again urge them not to throw away their money. Sheridan's Powders are strictly pure, but we know of no others that are.

The inauguration of a statue of Guido Aretino, the ancient musical theorist, took place at Arezzo, recently.

WHY! Putner's Syrup of Hypophosphites is the most reliable preparation for Coughs, Bronchitis, Asthma, Influenza, Chronic Catarrh, Consumption, Loss of Vigor, Want of Energy, Wasting, Scrofula, and Diseases of Women and Children, is because its effect is produced in a shorter period, and becomes more permanent, and not like many other medicines, that you require to continue them to keep up their effects. Ask your Druggist for PUTNER'S SYRUP. It is not an Emulsion, and contains no Oil. Price Fifty Cents.

Hop Bitters are the Purest and Best Bitters Ever Made.

They are compounded from Hops, Malt, Buchu, Mandrake and Dandelion,—the oldest, best, and most valuable medicines in the world and contain all the best and most curative properties of all other remedies, being the greatest Blood Purifier, Liver Regulator, and Life and Health Restoring Agent on earth. No disease or ill health can possibly long exist where these Bitters are used, so varied and perfect are their operations.

They give new life and vigor to the aged and infirm. To all whose employments cause irregularity of the bowels or urinary organs, or who require an Appetizer, Tonic and mild Stimulant, Hop Bitters are invaluable, being highly curative, tonic and stimulating, without intoxicating.

No matter what your feelings or symptoms are, what the disease or ailment is, use Hop Bitters. Don't wait until you are sick, but if you only feel bad or miserable, use Hop Bitters at once. It may save your life. Hundreds have been saved by so doing. \$500 will be paid for a case they will not cure or help.

Do not suffer or let your friends suffer, but use and urge them to use Hop Bitters.

Remember, Hop Bitters is no vile, drugged, drunken nostrum, but the Purest and Best Medicine ever made; the "Invalid's Friend and Hope," and no person or family should be without them. Try the Bitters to-day.
