

PARAGRAPHIC.

The Best Proof.—THE GLOBE.

"I sell more Burdock Blood Bitters than I do of any other preparation in stock," says B. Jackes, druggist, Toronto. If the readers will ask any druggist in the city he will get a similar answer to his query—a proof that it is the most popular medicine for the blood, liver and kidneys known.

The Immigration Association of California announce that there are open to settlement in that State nearly 45,000,000 acres of land.

A Paralytic Stroke.

W. H. Howard, of Geneva, N. Y., suffered with palsy and general debility, and spent a small fortune in advertised remedies, without avail, until he tried Burdock Blood Bitters. It purified and revitalized the blood, caused it to circulate freely, and quickly restored him to health.

In a lecture delivered at Manchester, England, the other day, Mr. Leo Gridon estimated that out of the 100,000 known species of flowering plants, 10,000 are of direct service to man, 5,000 are more or less poisonous or hurtful.

Railway Accident.

Frank Spink, Wilton Avenue, Toronto, some time ago received a bad injury by an accident on the G. T. R. The severe contusions were quickly healed by the use of Hagyard's Yellow Oil.

By long-continued observation, supplemented by experiment upon rabbits, a German investigator has convinced himself that premature baldness may be communicated from one person to another at last in the form associated with dandruff.

How to treat Weak Lungs.

Always breathe through the nose, keeping the mouth closed as much as possible. Walk and sit erect, exercise in the open air, keep the skin scrupulously clean, and take Hagyard's Pectoral Balsam for coughs, colds, and bronchial troubles.

On the banks of the Elbe there is a small Flemish colony, founded in 1300, and the colonists keep strictly to themselves, as if no German nation existed, although they are all around them. They still preserve the old Flemish customs.

Be Careful What You Eat.

The best medical authorities declare that worms in the human system are often induced by eating too freely of uncooked fruit and too much meat, cheese, &c. Whatever may be the cause, Freeman's Worm Powders are speedy and safe to cure; they destroy the worms, and contain their own cathartic to expel them.

There are in Greenland 1,154 women to every 1,000 men. This great discrepancy is attributed to the large number of casualties to men at sea. The entire population of the country in 1880 was 10,000. In 1840 it was 8,128.

Highly Agreeable.

One very valuable feature of Dr. Low's Pleasant Worm Syrup is, that it is highly agreeable to take, and all varieties of Worms, tape worm included, can be safely expelled by it, without recourse to harsh and sickening drugs.

Beverage.

Montserrat Raspberry Cordial!

These are elegant Cordials prepared with MONTSERRAT LIME FRUIT JUICE, and flavored as indicated with aromatics and pure FRUIT JUICE. They form most agreeable beverages, either diluted with water or alone, and especially with aerated waters, and are *guaranteed free from Alcohol.*

N. B.—The GOLD MEDAL of the ADELAIDE EXHIBITION has just been awarded to the MONTSERRAT LIME FRUIT JUICE and CORDIALS; in regard to which, the *Liverpool Journal of Commerce* September 26, says:—"The Sole Consignees, Messrs. Evans & Co., are to be congratulated upon this result, whose enterprise in placing this before the public has met with such success, as witnessed by the fact that in the course of a few days 60,000 gallons of Lime Fruit Juice were imported by them into Liverpool alone."

Montserrat Saline Effervescent Salt.

This Preparation has all the properties of a cooling and purifying Saline. It is an elegant Pharmaceutical preparation, and at the same time a pure mixture of Acids and Salts, whilst, from its effervescence, it will be found to produce a certain and beneficial result.

DIRECTIONS FOR USE.—A teaspoonful, in a tumbler of water, forms a mild aperient, and an anti-fever draught. A small teaspoonful in a wine glass of water is a palatable cooling, and purifying draught. This latter dose taken before dinner is often likely to give an invigorating tone to the system.
