Extracts from a Letter from C. H. S. Croukhite, Esq.
Canterbury Station. York Co., N.B.,
October 10th, 1876.

Mr. J. H. Robinson.

Dear Sir,—In reply to your letter of en-quiry, I would say that your Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of Auguest, and since that time I have felt a different man, and also look differently, and all for the better, as the doctor can testify.

I was unable, in the summer to walk I was unable, in the summer to walk any distance without much fatigue. I can now take my gun and travel all day, and feel first-rate at night, and eat as much as any lumberman. Have not bled any since I took your preparation, and can now inflate my lungs without feeling any soreness, and I think I can inflate them up to full measurement, same as before I was sick; have also gained in flesh, my weight in the summer was 173 lbs. and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement which I am prepared to swear to, and I hereby authorize you to give it publicity

in my name.

I am, dear sir, truly yours Signed) C. H. S. CRONKHITE. (Signed)

We, the undersigned, hereby consent to have our names published as witnesses to the effects of Robinson's Phosphorized Emulsion on the person of Mr. Oronkhite and do assert that the foregoing statement is correct in every particular.

JAMES PYLE'S PEARLINE has indeed become an article of established value in domestic economy, and now is the time for every family to test it, for house-cleaning as well as for laundry purposes. A more useful article for housekeepers is not to be found, and they who neglect a trial of it deprive themselves of a great convenience. Sold by grocers generally, but see that counterfeits are not urged upon you.
