NOTICE OF REMOVAL!

The Edwin Alden Co., Advertising Agents have moved their Cincinnati Office to 248 Race street and added to their already great facilities in conducting the advertising business, a Photo-Engraving department, where in a brief period of time and at a small cost, advertisers may receive illustrations for insertion in the newspapers.

The Edwin Alden Co., are prompt, energetic and have introduced to the Press of the United States some of the largest and best advertisers.

A woman in Baltimore bled to death from a cut on the leg, caused by the breaking of a whiskey bottle that she habitually carried in her stocking.

A travelling agent writes us that he was confined to his bed five weeks with rheumatism, and after all remedies failed used Minard's Liniment internally and externally and was cured in ten days.
