NOTICES OF THE PRESS:

6 We intended this week a lengthy notice of the first number of this work, but in consequence of a pressure of news, not to be omitted, we must delay it for a future occasion.

"We shall only say now that the original is a work of the very highest reputation; that it includes everything in record, or in traditions, about our gracious analysesed Lady, and that Mrs. Sadlier is the translator of that original. Her name is praise enough.

"As to the typography and paper, the Sadlier's seem to have considered this their test work, and to have spared no expense in making it, what it is, the most perfect of its kind. The Life of our Blessed Lady, so produced, will surely have a place in every Catholic household in the New World."—

their own name, on their own responsibility, and by themselves or their immediate servants.

In calling public attention to the subjoined list of the Ships
which comprise our Boston Line of Packets, we believe that
its general reputation as the first of American Lines is sufficiently well known and established. The Thousands of Letters which have been sent by American Immigrants to their
friends in every part of Europe, have borne ample testimony
to the Rapid and Successful passages made by those Ships,
and to the superior Health, Comfort, and Safety which their
Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character, by a succession of unusually rapid passages.

These magnificent Ships are all AMERICAN BUILT, and constructed expressly for Packets. They are all New and of the First Class, being built on the most improved principles, and of the hest materials. They possess all modern improvements which conduce to health and comfort, as a superior system of lighting and ventilating, the very best Provisions, and a careful medical superintendence. The Captains have been carefully selected as first rate sailors and men of humanity, and an experienced Surgeon is attached to each Ship, and no expense is spared to render this the best and the most popular conveyance to America. As Train & Co. have made such arrangements in Liverpool as will Protect their friends from the frauds and impositions sometimes practised there, they believe that those who pre-pay passages cannot but see the adthe frauds and impositions sometimes practised there, they be-lieve that those who pre-pay passages cannot but see the ad-vantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly connected with transcent

Ships.
As a proof that their Immigration business is conducted on principles uniformly honorable and humane, and that they have been distinguished for the most exact fulfillment of all their Engagements, we are permitted to refer to the Very Rev. THEOBOLD MATHEW, Cork, Ireland.

We also subjoin the following testimonial from the Right Reverend JOHN BERNARD FITZPATRICK, Bishop, Ca-thedral, Boston:—

" Boston, Jan. 22nd, 1849. (Corv.) "Boston, Jan. 22nd, 1849.
"I am happy to testify, from personal knowledge, that the firm of Ship Owners, known in this City of Boston, under the name of Enoch Train & Co., is composed of gentlemen of tried and acknowledged integrity, and that implicit reliance can be placed in their fidelity to accomplish all that they may promise, to those who have occasion to make any contract with them.
