CONTEMPLATE THE LIFE OF MARY!

EDWARD DUNIGAN & BROTHER,

151. Fulton Street, New York, ARE now Publishing, in Monthly Parts, at 25 cents each, and with the express approbation of the MOST REV. JOHN HUGHES, D.D.,

- - ARCHBISHOP OF NEW YORK, THE LIFE OF THE B. VIRGIN MARY, OF HER MOST CHASTE SPOUSE,

ST. JOSEPH AND HOLY PARENTS,

ST. JOACHIM AND ST. ANNE. Illustrated by fine Steel Engravings, and printed on superfine paper, with Chapter Headings, Borders, and Initial Letters, designed and engraved expressly for

this work. The Life of the Blessed Virgin is by the Rt. Rev. Romuald Gentilucci, Chamberlain to Pope Pius IX., is dedicated to, and nonored with the sufrages of His Holiness, and approved by the Master of the Sacred

Palace. Gentilucci's work will ever be remarkable for its unction and beauty of style, no less than for the deep knowledge which it displays of the writings of the Holy Fathers, and all the monuments of ecclesiastical history that can, in any way throw light on the Life of the Immaculate Mother of Our Lord, as handed down in the loving tradition of the faithful from the age in which she lived.

The Life of Saint Joseph—no unfit companion for the elegant work of Gentilucci—is from the pen of Father Vallejo, a Mexican Jesuit of the last century, a work approved by the ecclesiastical authorities in the Roman States, and frequently reprinted.

CONDITIONS: The Life of the Blessed Virgin, Her Holy Spouse, and Parents, will-be published in semi-monthly parts of 48 pages each, with a Steel Engraving and several Wood Cuts in each number, and will, when complete, form a volume of nearly 1000 pages.

OBSERVATIONS OF THE PRESS: The work having received the approbation of His Holiness; himself, as well as of the illustrious Arch-Holiness, minself, as well as of the illustrious Archbishop Hughes, it only remains for us to say, that it appears to be gracefully translated into our language, and the style in which it is produced, is really superior, both as to its general appearance, as well as to the chasteness of the design, and execution of the illuminated borders which adorn every page of the work.—London Register and Catholic Standard.

No other work of our day, on the same subject, can be compared to it. It is unrivalled for beauty of style and depth of crudition, alt is the offering of a learned and devoted son of the Blessed Virgin, who enjoys the confidence and friendship of our most Holy Father, to whom the work is dedicated. We are not more edified at the piety of the author, than astonished at the wonderful erudition displayed in the book. The translator has performed his task admirably .-

The translator has performed his task admirably.—
Pittsburg Catholic.

We cannot too highly recommend it to the consideration of our readers, whether we regard the intrinsic value of the work itself, or the beauty and exquisite ensemble of its getting up.—Truth Teller.

Profusely illustrated with Engravings and vigoettes, this work is brought out in such an elegant style, as to make it, exclusive of its literary merit, a fitting

library companion to the Bible of the same enterpris-ing publishers.—Detroit Vypticator:
This work is one of devotion and merit. We do not know who translated it; but it seems better than average translations.—Freeman's Journal.

This work, translated from the Italian, and apparently well translated, is by an eminent author, is dedicated by permission to his Holiness Pius IX; and is spoken of in very high terms by competent judges. As far as we have seen it, we like it very much, and think it must prove a great favorite with the children of Mary and all devout Catholics .- Brownson's Review.

INDUCEMENT: Each subscriber to this splendid work will receive with the last number a magnificent Steel Engraving, suitable for framing, of the MOST REV. JOHN HUGHES, D.D.,

ARCHBISHOP OF NEW YORK. Canvassers will find it to their advantage to address the publishers.

Just Published, Price \$1 50. A GREAT HISTORICAL WORE:

THE CATHOLIC CHURCH

IN THE UNITED STATES;

A Sketch of its Ecclesiastical History by Henry de

Courcy, author of "Les Servantes de Dieu en Ca-nada;" translated and enlarged by John Gilmary Shea, author of "The Discovery and Exploration of the Mississippi," &c., &c. POSSESSING great industry and rare talent for his-

torical narration, Mr. de Courcy has grouped together a most admirable sketch of Catholicity in Maryland, Virginia, and the Middle States, from the settlement to the present time; embracing notices of the origin of religious houses and of emigrant Catholics. At the close is a full account of the Mission of the Nuncio, Archbishop Bedini, and an exposure of the slanders decreed against him.

A Work for every Cutholic family; it has been encouraged by the suffrages of many Bishops. REMARKS OF THE PRESS:

It would be difficult for us to indicate with what pleasure we welcome this important addition to our Catholic literature .- Truth Teller.

Mr. de Courcy has gathered together in these pages many precious documents towards the future history of the Church in this country.—Freeman's Journal. The author's and editor's names are well known to

Catholic literature.—Buffalo Sentinel.
This work, next to the volumes of the Rt. Rev. Drs. Spalding and Bayley, is the most valuable contribution yet made to the history of the Catholic Church in the United States.—Pittsburgh Catholic.

This is a most valuable book .- Catholic Herald. This book is written in good temper, and, confining itself to facts, avoids personalities and overwarmth of expression.—New York Daily Times.

Mr. de Courcy has here rendered another important

service to his co-religionists in the United States .-True Witness. EDWARD DUNIGAN & BROTHER, (JAMES B. KIRKER),

We might add volumes of evidence, but the most convincing proof of the virtues of this remody is tound in its effects upon

Consumption.

Probably no one teniedy has ever been known which cared so many and each dangerous cases as this. Some no human aid can reach; but even to these the CHERRY PECTORAL affords re-

lief and certifer.

DOCTOR AVEN, LOWTIL: I feel it a duty and a pleasure to inform you what your Creanty Province has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we catell procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taned their atmost to produce this best, neet perfect purgative which is known to man. Immunerable proofs are shown that those Pries have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are sets and pleasent to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and exped discose. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impact healthy tone with strength to the whole system. Not only do they care the every-day complaints of every body, but also formidable and dangerous diseases that have baffied the best of human skill. While they produce powerful effects, they are, at the same time, in diminished does, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely regetable, are free from any risk of harm. Cures have been made which surpass-bellef were they not substantisted by men of such scalled position and character as to forbid the susplain on untruth. Many eminent dergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering follow men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:

Costiveness, Billons Complaints, Rheumastim, Dropsy, Heartburn.

Costiveness, Billous Complaints, Rheumatism, Dropsy, Heart-burn, Headache arising from a foul Stomach, Naucea, Indiges-tion, Morbid Inaction of the Bowols, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcarous and Cutaneous Dis-casse which require an execuant Medicine, Scrofula or King's-Evil. They also, by purifying the blood and stimulating the sys-tem; cure many complaints which it would not be supposed they could reach, such as Doafness, Partial Blindness, Nouralcia and Nervous Irritability, Derungements of the Liver and Kidneys, Nervous Irritability, Derungements of the Liver and Kidneys. Gont, and other kindred complaints arising from a low state of the body or obstruction of its functions:

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for Arm's Puls, and take nothing olse. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the bost aid there is for them, and they should have it.
