

QUIPS AND CRANKS.

The Chinese Government is after more tael to its kite.

Watch your conscience; if it approves of everything you do it is an indication that you are becoming conceited.

"She is the occasion of lots of talk wherever she goes." "Indeed?" "She always plays the piano, you know."

Boston Street Car Conductor: How old are you, my little girl? Little girl: If the corporation doesn't object I'd prefer to pay full fair and keep my own statistics.

Customer: Eight dollars? Nonsense! I'll give you \$2 for the suit. Mr. Isaacstein: Two dollars! So hellup me gracious! I couldn't buy the button-holes for dot!

Reflection of an Old Coquette on taking up her position at the toilet table, all covered with phials and jars: Now for it! In another three hours I shall be thirty years younger!

Hills: Miss Dashley has a divine figure. Hulls: What makes you think so? Hills: Didn't I see her at the opera in the winter and in the surf at the Narragansett in the summer.

Lord Percy: Yaas; the English that is spoken heal in America is something quite unintelligible to me, don't you know. She: Indeed? Lord Percy: Yaas; stews me into a perfectly beastly funk.

"Is your baby strong?" "Well, I should say so. He raised the whole family out of bed at three o'clock this morning, and scientists say that's the hour when everyone's strength is at its lowest point.

Fond Parent: Goodness, how you look, child. You are soaked. Frankie: Please, pa, I fell into the canal. F. P.: What, with your new trousers on? Frankie: I didn't have time, pa, to take 'em off.

Smallwort: I wonder what the Chinese Government are calling home their men in America for. They surely have enough men at home. Mrs. Smallwort: I guess they want the laundrymen as scouts to scour the country.

Mistress: Remember, Mary, if you break anything, I shall stop it out of your wages. Servant (impudently triumphant): Do it! Do it! I've just broke that fifty-guinea vase in the drogin' room, and if you can stop that out of a pound—for I'm goin' to leave at the end of the month—you'll be mighty clever.

"What's the matter? You seem to be in a frightful rage this morning." "I am. You remember the challenge I sent to a magazine editor?" "Yes." "Well I have just received his answer. He says that my manuscript has been received and that it will be carefully examined in due course of time."

The soap agitation in Germany reminds the *Westminster Gazette* of Mark Twain's letter: Monsieur le Landlord—Sir: Pourquoi don't you mettez some savon in your bed chambers? Est-ce que vous pensez I will steal it? Maisvous ne pouvez pas play this savon dodge on me twice. Savon is a necessary de la vie, to anybody but a Frenchman, et je l'aurai hors de cet hotel or make trouble. Allons.

The sedate, smooth-shaven, carefully-attired young Sunday school superintendent from Englewood sat down in the chair provided by the bootblack. "I want a good shine, my boy," he said. "I'm a little particular about my shoes." "You bet," responded the urchin heartily, as he opened his box of implements and began operations: "I'm onto all dat. You sportin' men's de most p'tickler customers we's got."

Build Up.

When the system is run down, a person becomes an easy prey to Consumption or Scrofula. Many valuable lives are saved by using Scott's Emulsion as soon as a decline in health is observed.

In Japan a man can live "like a gentleman" on \$500 a year. For this sum he can keep two servants, pay rent on a comfortable (for Japan) house and have plenty of food.

At a recent medical congress at Pesth, in a discussion on diphtheria, it was stated that for years past 20,000 persons have annually fallen victims to this dread scourge in Hungary alone.

The mother of Abdul-Aziz, the new young Sultan of Morocco, bids fair to have as much sway as does the Empress of China. She is a woman of great talent and boundless tact, and her son is said to consult her before taking any political step.

Strong Testimony of Emigrant Commissioner, the Hon. George Starr, as to the power of Radway's Ready Relief in a Case of Sciatica, Rheumatism.

VAN NESS PLACE, NEW YORK.

DR. RADWAY.—With me your Relief has worked wonders. For the last three years I have had frequent and severe attacks of sciatica, sometimes extending from the lumbar regions to my ankles, and at times to both lower limbs.

During the time I have been afflicted I have tried almost all the remedies recommended by wise men and fools, hoping to find relief, but all proved to be failures.

I have tried various kinds of baths, manipulation, outward application of liniments too numerous to mention, and prescriptions of the most eminent physicians, all of which failed to give me relief.

Last September at the urgent request of a friend (who had been afflicted as myself), I was induced to try your remedy. I was then suffering fearfully with one of my old turns. To my surprise and delight the first application gave me ease, after bathing and rubbing the parts affected, leaving the limbs in a warm glow, created by the Relief. In a short time the pain passed entirely away. Although I have slight periodical attacks approaching a change of weather, I know now how to cure myself, and feel quite master of the situation. RADWAY'S READY RELIEF is my friend I never travel without a bottle in my valise.

Yours truly, GEO. STARR.
