I have the honor to refer to my despatch No. 1307, dated the 17th May 1935, and to the Civil Procedure Conventions which have been concluded with the Dominion of Wales, the Netherlands and the Netherlands, all of which have been signed and duly ratified.

I have the honor to state that His Majesty's Government in Canada desire its assistance with the stipulations therein contained, these Conventions will be extended to Canada by notification to the respective Governments. It is possible, however, that the date of January 1936, if however, the date of ratification should be the first day of January, 1936. If, however, the date of ratification is impracticable, the date of ratification would be the first day of February, 1936, and further if the date suggested is not satisfactory, a later date may be the first day of February, 1936, should be adopted.

The authorities to whom judicial and extra-judicial Acts and Commissions are to be transmitted will be, where action is to be taken in the Province in Canada, the Attorney-General of such province; in the North West Territories, the Commissioner of the North West Territories; and in the Yukon Territory, the Gold Commissioner of that Territory. The language in such communications to such authorities and translations are to be made in the English, except in the Province of Quebec, where they may be made in French or in French. In order to insure due execution, Commissions should contain full and complete instructions.

I have included a tabulated list of the authorities together with their names, in my despatch No. 251 of even date herewith.

I shall be obliged, therefore, if steps will be taken to make the necessary arrangements to the interested Governments.

I have the honor to be,
 Sir,
 Your most obedient,
 humble servant,
 O. D. SKELTON
 for the Secretary of State for
