

ACTION PLAN: OBJECTIVE TWO - BUILDING PEACE AND SECURITY

ACTION PLAN - ISSUE 2C

Safeguarding peace and the achievement of SD goals and objectives by encouraging and monitoring progress on Non-Proliferation, Arms Control and Disarmament agreements.

ACTION	MILESTONE INDICATORS
Through international agreements and supplier control mechanisms, restrict and strive to eliminate nuclear, biological and chemical weapons; restrict excessive accumulations of conventional weapons that can threaten regional security; contain the transfer of military related technologies; promote greater transparency on peace and security issues; and try to maintain a weapons-free outer space.	Protocol to the Canada/International Atomic Energy Agency (IAEC) bilateral nuclear safeguards agreement expected by end of 1997
