Sir Arthur W. Currie, G.C.M.G., K.C.B.,  
Principal and Vice-Chancellor,  
McGill University.

Dear Sir Arthur:

We have received a letter from the Secretary of the New York Graduates' Society, informing us that their annual banquet will be held on Tuesday evening, March 14th, at 7 p.m. in the Fraternity Clubs Building, at 38th St. and Madison Avenue, New York City.

They are most anxious to have a representative from the University attend the function, and their first wish is, naturally, that they should have you with them, and they say that they can only hope that the demand upon your time is not too great but that you can favor them with your presence again.

Will you kindly let me know how you feel about going down to New York for this event?

Faithfully yours,
