McGill University

Montreal, November 10th, 1926

General Sir Arthur Currie, G.C.M.G., K.C.B., LL.D.,
Principal, McGill University,
Montreal.

Dear Sir:-

I am instructed by the Executive Committee to inform you of the following resolution passed unanimously at the Annual Meeting of the Graduates' Society, and later approved by the new Executive Committee:

"RESOLVED that the Graduates' Society as a body and the Graduates as a whole having always taken the keenest interest in the development of Macdonald Park as the future site of residences and student activities and being firmly of the opinion that the Gymnasium on the Pine Avenue site would be a far greater help to Physical Education and Athletics generally than it could possibly be on the Sherbrooke Street site, ask the Executive Committee of the Graduates' Society to make strong representations to the Governors of the University in favour of adhering to the original plans to build the Gymnasium in Macdonald Park instead of erecting it on the Sherbrooke Street site as recently proposed."

I have sent a copy of this resolution to the Society's three Representatives on the Board of Governors of the University with the request that they bring it before the Board of Governors at the first opportunity.

Yours very truly,

EXECUTIVE SECRETARY.
