Cameron's paper at York
Conference

14th - October 1932

Dear Principals,

I am enclosing herewith, at
Dean Barton's suggestion, a copy of
the paper I presented to the British
Association at York. It is being
printed by the Imperial Bureau of
Agricultural Parasitology and I shall
send you a printed copy in due
course. Meanwhile the typewritten
one may be of interest to you as
showing our ideas for the future.

I was sorry we could not visit
you last week but in any event we
are up to our eyes in settling down
and the commencement of the
