The entry tickets upon animals or articles will admit the person bringing them to the Show Grounds for Exhibition, along with such animals or articles, without the use of any other ticket. Afterwards such parties must be provided with proper admission tickets.

Necessary attendants upon stock and articles belonging to exhibitors will be furnished with admission tickets with their names written upon them, WHICH TICKETS WILL BE GOOD, TO THE PERSONS WHOSE NAMES THEY BEAR, AT THE EXHIBITORS' GATE ONLY, and not more than three times each day, during the Show.

Judges and their Duties.

The Judges will meet at the committee room on the Grounds, on Tuesday, September 22nd, at 10 o'clock a. m., for the purpose of organizing and immediately entering upon their duties, and will then be furnished with the committee books containing the numbers of the entries in each class. On receiving their class books, they will also be furnished with blank prize tickets, which they shall fill up and affix in each section as soon as they shall have finally determined their awards.

No person shall act as a Judge in any class in which he shall be an exhibitor.

In addition to the stated premiums offered for articles enumerated in the list, the Judges will have the power to award discretionary premiums for such articles, not enumerated, as they may consider worthy, and the directors will determine the amount of premium. The Judges may also distinguish such animals or articles as they consider deserving of notice, but which have not received prizes, by tickets with the words "Highly Commended," or "Commended," upon them.

In the Fine Arts and Mechanical Departments, Diplomas will be awarded, in addition to the money prizes, to any specimen evincing great skill in its production, or deemed otherwise worthy of such a distinction, on its being recommended by the Judges and approved of by the Committee, to whom all such matters shall be referred.

Under "Extras" in each of the classes, when more than one entry of the same kind of article has been made, they will be judged as in competition for first and second prizes, the same as though they had been in regular sections, and when but one such entry has been made, the article, if worthy, shall be awarded a first or second prize.

Extracts from By-Law.

"The Judges shall, in the execution of their duties, be careful to act with the most rigid impartiality; shall make their entries in a clear and conspicuous manner, in all cases of doubt or difficulty referring freely to the Secretary, or to the Committee of the Council in charge of the department; and when they have completed their reports, shall sign and deliver their books to the Secretary of the department to which they belong."
