

- Wasting, contd.**

  - vomiting and constipation in hypertrophic stenosis of the pylorus, . . . . . 845
  - (and see Weight, Loss of; and Marasmus)
  - Watch test for hearing . . . . . 188
  - Watchmaker's cramp . . . . . 177
  - Water, insufficient consumption of, as cause of constipation . . . . . 145
  - Water-brash (see Heartburn)
  - Water-drinking, plumbism from 136
  - Water-hammer pulse in aortic regurgitation 106, 107, 233, 234
  - Watery of eyes from error of refraction . . . . . 328
  - Wat in ear**, deafness from . . . . .
    - dry cough from . . . . . 174, 175
    - - - eczema of external auditory meatus from . . . . . 168
    - - - purulent discharge due to . . . . . 167
    - - - tinnitus from . . . . . 167
    - - - vertigo from . . . . . 167  - Waxy renal tubercles . . . . . 7
  - Spleen in lardaceous disease . . . . .
  - Weakness** of back muscles, scoliosis from . . . . . 180
  - in Bright's disease . . . . . 300
  - carcinoma of colon . . . . . 301
  - of the limbs in chronic alcoholism . . . . .
  - muscular, in general paralysis . . . . .
  - - - paroxysms agitans . . . . . 756
  - in near-sight . . . . . 506
  - at onset of phthisis . . . . . 620
  - progressive, from growth of lung . . . . . 322
  - in pernicious anaemia . . . . . 30
  - tremor from . . . . . 795
  - Weather, effects on chronic rheumatic pains . . . . . 507
  - - - quantity of urine . . . . . 581
  - - - sore throat . . . . . 672
  - pain in chest in phthisis varying with . . . . . 180
  - Weber's test for hearing . . . . . 189
  - Weeping (see Epiphora)
  - in eczema . . . . . 714, 831
  - Weibel-Palade bodies (see Meningocele)
  - Weight carrying, scoliosis from . . . . . 180, 181
  - in hypochondriac, feeling of, in catarrhal jaundice . . . . . 365
  - increasing, in myxœdemata . . . . . 585
  - lifting, subconjunctival haemorrhage from . . . . . 256
  - WEIGHT, LOSS OF** . . . . . 847
  - from carcinoma 147, 150, 295, 322, 351, 718, 721, 725, 736
  - - - due to change of surroundings . . . . . 848
  - - - Graves' disease . . . . . 244, 597
  - Hirschsprung's disease . . . . . 718
  - methods of examining in cases of . . . . . 847
  - in pernicious anaemia . . . . . 30
  - rheumatoid arthritis . . . . . 39
  - struma . . . . . 756
  - ulcerative colitis . . . . . 727
  - sense of, in gastritis . . . . . 252
  - Weil's disease** . . . . . 372
  - albuminuria in . . . . . 17
  - - - jaundice in . . . . . 362
  - - - purpura in . . . . . 596
  - - - rashes in . . . . . 647
  - Weir-Mitchell treatment of functional wasting . . . . . 850
  - Werlhof-Hoffmann progressive muscular atrophy of infants . . . . . 158
  - Werlhof's disease . . . . . 596, 600
  - West Indies, yellow fever in . . . . . 372
  - WHEALS** . . . . . 850
  - in dermatitis herpetiformis . . . . . 831
  - lichen planus . . . . . 832
  - mode of production of . . . . . 850
  - relation to erythema . . . . . 850
  - - - nodules . . . . . 850
  - - - papules . . . . . 850
  - in urticaria . . . . . 252
  - - - pigmentosum . . . . . 805
  - - - vesicles on . . . . . 850
  - Wheezing in emphysema . . . . . 526
  - Whetstone crystals . . . . . 816
  - Whip-worm (*Fly. 154*) . . . . . 569
  - Whiskers, extension of pedicellus pubis to . . . . . 417
  - Whisky-drinking, polyuria from . . . . . 581
  - Whispered voice test for hearing . . . . . 188
  - Whistle, inability to, from facial paralysis . . . . . 534
  - - - in myopathy . . . . . 260
  - White corpuscles (see Leucocytes)
  - tongue, or cachexia aperta . . . . . 113
  - White-leg (see *Plegmagnathus dolens*)
  - Whitlow**, axillary abscess due to . . . . . 731
  - can of . . . . . 415
  - - - ectysis in . . . . . 460
  - ectysis of face, neck, and arms from . . . . . 158
  - painless, in Morvan's disease . . . . . 285
  - septicæmia from . . . . . 698
  - with syringomyelia . . . . . 128, 285
  - thrombosis of veins from . . . . . 826
  - Whooping-cough** . . . . . 400, 465
  - abrasion of frenum lingue in . . . . . 320
  - bacilli in sputum in . . . . . 705
  - bronchitis simulated by . . . . . 705
  - cough after . . . . . 175, 176
  - haemoptysis in . . . . . 317, 320
  - hernia of lung from . . . . . 194
  - infantile convulsions in . . . . . 170
  - leucocytosis in . . . . . 400
  - orthopnoea in . . . . . 365
  - paroxysmal cough in . . . . . 167
  - rupture of cortical veins in . . . . . 131
  - subconjunctival haemorrhage in . . . . . 256
  - swelling of eyes and face in . . . . . 459
  - Tooth's peroneal atrophy developing after . . . . . 71, 560
  - ulceration of frenum of the tongue from . . . . . 814
  - vomiting in . . . . . 467, 841
  - Widal's test** in diagnosing cause of prolonged pyrexia . . . . . 609
  - - - typhoid fever from pyæmia . . . . . 650
  - - - frequent failure of . . . . . 610
  - - - negative fallacies of . . . . . 610
  - - - in paratyphoid fever . . . . . 697
  - - - positive, not necessarily indicative of typhoid . . . . . 611
  - - - in typhoid fever 90, 196, 281, 372, 620, 650, 697
  - Wind (see Flatulence; and Meteorism)
  - Winged appearance of scapula in paralysis of serratus magnus . . . . . 551
  - Winking, absence of, in paralytic ophthalmoplegia . . . . . 262
  - diminished, in Graves' disease . . . . . 253, 261
  - involuntary, in field palsies (*Fly. 130*) . . . . . 541, 537
  - Whistler, bronchiitis with emphysema in . . . . . 186
  - - - cough (see Cough)
  - Wisdom tooth impaction simulating tetanus . . . . . 801, 802
  - Wolf bite, hydrophobia from . . . . . 801
  - Wolfian body, retroperitoneal cysts derived from . . . . . 725
  - Wool-workers, anthrax in . . . . . 603, 746
  - Word blindness**, hemianopia with . . . . . 684
  - - - inability to read in . . . . . 684
  - - - lesions causing . . . . . 684
  - - - relationship to defects of vision, speech, etc. . . . . 684
  - - - varying degrees, and difficulty of analysis of . . . . . 684
  - - - with word deafness . . . . . 684
  - centre**, auditory, importance in acquirement of speech . . . . . 683
  - - - lesion of, word deafness from . . . . . 684
  - - - and visual, situation of (*Fly. 185*) . . . . . 683
  - deafness** from destruction of centre . . . . . 684
  - - - examination of a case of . . . . . 684
  - - - lesions causing . . . . . 684
  - - - relation to power of speech, writing, etc. . . . . 684
  - WORMS, INTESTINAL** . . . . . 567
  - bile-duct obstruction from . . . . . 364
  - causing increased appetite . . . . . 49
  - enuresis with . . . . . 245
  - eosinophilia with . . . . . 249
  - insomnia from . . . . . 357
  - grinding of teeth with . . . . . 293
  - infantile convulsions from . . . . . 170
  - leucocytosis with . . . . . 620
  - micturition frequent from . . . . . 438
  - night terrors from . . . . . 357, 418
  - priapism in infancy from . . . . . 585
  - vomiting with . . . . . 841, 846
  - (See also Tapeworms, etc.)
  - Worry** as cause of functional dyspepsia . . . . . 335
  - constipation due to . . . . . 144
  - ill-effect on neurasthenia . . . . . 788
  - influence on trigeminal neuralgia . . . . . 435
  - insomnia from . . . . . 357
  - loss of weight due to . . . . . 818
  - malarial relapses due to . . . . . 36
  - neurasthenia from . . . . . 506
  - and professional cramp . . . . . 177
  - ptomaine diarrhoea caused by . . . . . 592
  - Wounds** of the abdomen, infective peritonitis from . . . . . 644
  - in the chest, surgical emphysema from . . . . . 716
  - infection of tetanus through . . . . . 162
  - on the neck, surgical emphysema from . . . . . 716
  - pneumothorax after . . . . . 577, 578
  - pyæmia from . . . . . 372, 649
  - septicæmia from . . . . . 698
  - of thigh, talipes from . . . . . 132
  - in the trachea, surgical emphysema from . . . . . 716
  - Wriggling, mild choreiform movements causing . . . . . 156
  - Wrinkles, diminution of in facial paralysis . . . . . 533
  - Wrist**, athetotic flexion of . . . . . 154
  - flexion of, in brachial monoplegia . . . . . 546
  - - - in paralysis from choreo-athetosis . . . . . 548
  - flexor contracture of in arsenical neuritis . . . . . 165
  - gonococcal arthritis of . . . . . 376
  - gout in . . . . . 382
  - hypertrophic osteoarthritis . . . . . 230
  - lichen planus affecting . . . . . 657
  - multiple bony sarcoid of . . . . . 151
  - osteo-arthritis of . . . . . 381
  - pruritis of . . . . . 588
  - sebaceous of . . . . . 447, 588, 882
  - tuberculous disease of . . . . . 385
