

REGULATIONS APPLICABLE GENERALLY IN PROVINCES AND STATES

The Provincial and State laws generally prohibit possession or sale or transportation in the close season for game or fish, except that after the open season closes a short time is allowed in some states and provinces, but in many export is illegal at any time.

Netting game fish or catching or killing them by drugs, explosives, etc., or by any other means than hook and line is forbidden.

Insectivorous and song birds, and nests and eggs of all birds, except birds of prey, are protected at all times.

Netting or snaring game birds, or killing by any other mode than shooting is illegal.

Night shooting is generally prohibited.

Streams or lakes leased to individuals or clubs cannot be fished by the public, though in many cases persons properly introduced may obtain fishing.

Licences should be kept in personal possession of the sportsman at all times, as they are subject to production on demand of game wardens.
