The 2.06 trot attracted but two starters, Brace Girdle beating Funny Crank in straight heats.

Brace Girdle beating Funny Crank in straight heats. In the 2.24 trot, Box, a black mare, driven by Young, won in straight heats. Six horses started in the 2.12 pace. In the initial heat, The Earl showed good form and won by half a length, but after that Bessie Bee had things her own way. Frank Jones, on being congratulated by horsemen on his exhibition of handling the reins in the 2.10 trot, remarked: "A good horse makes a good rider." In the running handlcap, with ladles riding, Miss Dalsy Hutchings, who piloted Dinny, the scratch horse, was left at the post in the first heat, when her mount balked. She rode a fine race, however, after getting started, and almost overhauled Spartan, ridden by Mrs. Dorothy Mitchell, as the horses came down the home stretch.

Spartan won the second heat and the race, with an advantage of two lengths. In the first heat two of the horses balked and one of them made for a barn on the upper turn. The fair driver controlled the fractious steed, however, and was not throw. Summary:

Schorr's Good Colt Lifts the Feature at Blue Bonnets Opening—King's Plate to Sandroit.

MONTREAL, Sept. 7.-The annual autumn meeting of the Montreai Jockey Club was opened this afternoon with one of best attendances that have ever been seen at Blue Bonnets. The rain of the early morning made the track sloppy and fast time impossible. It did not have the effect on the field that one would imagine, as the majority of those who were-named in the over-night entries on Friday took chances of there being heavy going, and the eligibles for the eight carded events all started. The card was replete with features, there being two handicaps and two stakes. The principal of the stakes were the Earl Grey Handicap, at a mile and a quarter, which saw a small but classy field answer the call to the post. The other stake was the running of the King's Plate, which has been more talked of than any other during the history of the club. umn meeting of the Montreal Jockey The two-year-old event brought together one of the best bands of youngsters that have wer started here. The steeplechase, which was a handicap affair, at a distance of about two miles, drew a fine
