HEINTZMAN & CO.
PIANO

(Made by ye olde firme of Heintzman & Co., Limited)

It appeals equally strong to those who are most attracted by fine musical qualities as well as those who give most weight to fine construction and finish.

"The tone of the Heintzman & Co. piano is delightful, the elasticity of action marvelous—every note ringing out in clear, pearly and limpid quality. It exceeds any piano I have ever used."—ALBANI.

This piano is being used exclusively in the present Albani concert tour.

PUBLIC AMUSEMENTS.

At the Princess Theatre on Monday evening Wright Lorimer will present for the first time in this city his magnificent production of the widely famed four-act romantic drama, "The Shepherd King," produced under Mr. Lorimer's personal supervision and under the business management of William A. Brady. "The Shepherd King" is said to be the largest and handsomest production on the American stage. Mr. Lorimer will be supported by a company of 150 players. "The Shepherd King" is written in four acts and five scenes. It is founded on the Old Testament story of the early life of David of Israel, as related in the narrative contained in the Second Book of Samuel and First Book of Kings. The play begins with David at the home of his father Jesse, in Judea, near Bethlehem, and ends with his coronation as King of Israel at the death of Saul and Jonathan. The Old Testament narrative is

followed closely, some necessary changes being made in the chronology and sequence of incidents. A strong love interest is also interpolated in the story of the affection of David for Michal, the youngest daughter of King Saul. The beautiful, undying affection and the unselfish devotion of David for Jonathan, and Jonathan for David, is made much of in the action of this remarkable drama. Matinees will be given on Wednesday and Saturday.

Jane Corcoran, a local favorite, will appear at the Grand Opera House next week in Frances Aymar Mathews play "Pretty Peggy." The two leading characters of the play are well known to most lovers of historical plays, they being Sir Worthington and David G. Rick, of whom many authors and historians have written. Nowhere in the play has Miss Corcoran better chance

JANE CORCORAN, in "Pretty Peggy" Grand.

of displaying her art and wit than in the scene where she subdues the haughty Sir Charles Hanbury and makes him give his consent to the marriage of his son with her sister Polly, which he has come in all his bluster and pride to break off. Her coquetry with the old lady is delightfully original. Miss Corcoran has been surrounded by her managers with an exceptionally strong company, with the elaborate stage settings.

A Striking Scene From "The Shepherd King."

Sedocent has sold on its merits for over 60 years and never will be out of the public on any other grounds.

We Make Big Claims for the efficacy of Sedocent, and we are prepared to stand back of and prove every claim.

It is positively a Non-Acid Dentifrice and is free from all of the injurious substances that would be injurious to the enamel of the teeth. It should be used by the general public for the general health of the body.

HALL & RUCKEL, New York City.

From all appearances "Tracked Around the World," the big melodramatic sensation that comes to the Majestic next week, has reached the pinnacle of large productions. Manager Woods, whose faith in the demand for honest theatrical investiture was strong enough to prompt the expenditure of unlimited money for the purpose of outwitting all manner of would-be competition in scenic aid

time grandeur, has a right to feel proud over his latest successful achievement, and is to be congratulated upon having augmented the field of sensational stagecraft with an attraction widely removed from the ordinary stage. The engagement opens with a matinee on Monday and during the week's matinee will be held every day.

Nature's own handwork is always a pleasing sight to the eye. A tracked woman with a figure that would vie with an Apollo or a Venus is always appreciable. With nature has no unkind in this respect we often seek

refuge in artificial means to gain our end; but such beauty is only skin deep, as the saying goes; but for real prettiness and rare intimate grace, the chorus of the Brigadier Burlesque Company, which will be seen at the Star next week, holds the palm.

Frank Campana who plays the rascally Tramp in "The Virginian," at the Princess Theatre the week after next, would hardly be recognized when he is in his every-day attire. As is often the case with stage villains, he is an exceedingly gentlemanly looking young man off the stage. An artist to his finger-tips, he throws aside all of his natural personality when he makes up for Tramp, and for three hours every night becomes as tough a rascal as could be found in all Wyoming. But it is all put on.

Chamberlain Chapter, D.O.E., will give a matinee musicale on Saturday, March 24, at 4 p.m., in the Conservatory Music Hall.

The Dolmetsch Trio are to return to Toronto for two recitals on Friday and Saturday, March 16 and 17, in the Conservatory Hall. Stewart Houston has arranged that these recitals should be given in this hall, where they will be much better advantage than in a larger building. Two programs, entirely different from that presented on the occasion of their first visit here, will be given. The seats will be on sale at Tyrrell's bookstore.

To a great many people the most attractive instrumental concert of the season will be that presented by Henri Marteau, the splendid French violinist, Jean Gerardy, the king of cellists, and Auguste Gouffier, pianist, which will be held at Massey Hall on Wednesday evening, March 21. An attractive number will be Beethoven's Trio for piano, violin and cello.

The program which the Kneisel Quartet will present at their chamber music concert in Association Hall on Tuesday evening next is as follows: Beethoven's Quartet in E-flat major, Op. 157; Mendelssohn's Quartet in E minor, Op. 41; and "Aus Meinen Leben" Dvořák's Quartet in A major, Op. 13.

It will be the first time that they will have been heard in a quiet number, and this has been accomplished by the engagement of Frank Weisman to assist to the piano. The first of seats will be given at Nordheimer's on Monday morning.

Eleanor Robson's coming engagement at the Princess for the first part of the week of March 28 will be notable. She will present two comedies, "The Girl Who Knows Everything," by Jerome K. Jerome, and "The Girl From Somewhere," by Clyde Fitch.

Madame Albani, who is now saying good-bye to her native land, is in remarkable voice, and she has been receiving great ovations in the Magdalen Provinces, where the critics speak of her with the highest praise. Her wonderful throat and cadence are as fine as ever, and show the remarkable voice she possesses. She has a concert company that would be a treat in itself. Haydn Wood is a violinist of the first rank; Albert Archdeacon is an old favorite; Miss Gauthier, the young Canadian contralto, has a magnificent voice, and Adela Verne is an accomplished pianist. Madame Albani appears here on Thursday next at Massey Hall, when she will be assisted by the Toronto Festival Chorus in Mendelssohn's "Hear My Prayer."

ORANGE GRAND LODGE.

Some of the Toronto Brethren Who Will Journey to Goderich.

The annual meeting of the Provincial Grand Orange Lodge of Ontario West will be held at Goderich on Wednesday and Thursday next. The lodge will send a large delegation, amongst whom will be: H. Lovelock, D.G.M.; John McMillan, P.G.M.; J. G. McMillan, P.G.M.; Wm. Fitzgerald, D.G.S.; Rev. H. C. Dixon, W. Casburn, H. C. Hocken, J. S. Williams, W. D. McPherson.

It is understood that County Master Fred Dane will be unable to attend, owing to important business engagements. Col. Scott of Walkerton, provincial grand master, will preside.

COULDN'T GET "NO CHANCE" AND SO PLEADS GUILTY

"Guilty" was the verdict brought in by the jury in the general sessions against John Combsky and Charles McRae for assaulting and robbing Walter Andrews of 50 cents. They were also convicted of stealing \$15 from William White.

While the jury were out Judge Winchester proceeded with another charge of robbery against McRae. When the jury announced their verdict McRae said he would change his plea of not guilty to guilty of robbery. He offered a \$150 fine or 90 days in jail. "You can't get no chance here," he said. The grand jury brought in a bill against William Taylor, charged with robbery.

TROUBLE OVER BARBER SHOP TRADE NOT UP TO PROMISE

George Dawkes has been committed for trial on a charge of obtaining money by false pretences. It is the result of the sale of a cigar and barber shop business at 41 West Queen-street. Dawkes was said to have said that his barber shop brought him in \$18 a week and a goodly sum from the sale of cigars. On this statement, Simon Fuchs paid \$200 cash and \$250 on a chattel mortgage for the business. The day after the barber shop brought him 50 cents and he sold one cigar. Since that time the barber shop averaged \$1 a day.

CANADIANS MAY TENDER FOR AUSTRALIAN STEAMSHIPS

Ottawa, March 9.—Australia is calling for tenders for a fifteen to seventeen knot steamship service fortnightly between Australia and Great Britain. At the present time a subsidy of \$120,000 is being paid. Specifications have been forwarded for the benefit of Canadians who wish to tender. Mr. Ross says that if there was a fortnightly service of equal speed established to Canada more than half the mails and passengers would come by the Canadian route.

STRENGTH FOR THE WEAK

DO YOU SUFFER FROM
Nervous Debility, Loss of Strength, Rheumatism, Backache, Indigestion and Constipation? They are quickly and forever cured by the grand product of nature, DR. McLAUGHLIN'S ELECTRIC BELT. Send for my Free Book about it.

If you have doctored and dosed yourself without benefit, if you are tired of paying money for useless treatment and ruining your stomach with nasty drugs, like thousands of others, you will come to me as a last resort, and I want you to come now. Don't delay. If I say I can cure you, you can depend upon it. Will you try me? Do it now.

No person should be weak, no person should suffer the loss of that vitality which renders life worth living. No one should allow himself to become less a man than nature intended; no one should suffer when there is at hand a certain cure for his weakness and loss of vitality.

Most of the pains, most of the weakness of stomach, heart, brain and nerves from which many suffer are due to an early loss of nature's reserve power. You need not suffer. You can be restored. The very element which you have lost you can get back, and you may be as happy as any one that lives.

My Dr. McLaughlin's Electric Belt

will restore your strength. It will give back the old vigor of youth. The loss of your health causes Kidney Trouble, Rheumatism and Stomach ailments. You know it's a loss of vital power and affects every organ of the body. Most of the ailments from which you suffer can be traced to it.

I have cured thousands who have squandered the savings of years in useless doctoring. My Belt is easy to use; put it on when you go to bed; feel the glow of heat from it (no stinging or burn as in the old-style belts), and you feel the nerve tingle with the new life flowing into them. You get up in the morning feeling like a 2-year-old.

What ails you? Write and tell me, and no matter where you are I think I can give you the address of some one in your town that I have cured. I've cured thousands, and every one of them is a walking advertisement for my Belt. Those who have used it recommend it, because it is honest. It does great work, and those whom I have cured are the more grateful because the cure costs so little.

Trenton, Ont., Dec. 4, 1905.
