The many friends of Mrs. W. N. Robertson of Danforth-avenue will be pleased to learn that she is progressing favorably in the Toronto General Hospital since undergoing a serious operation for emphysema, and unless complications arise she will be able to return to her home in two or three weeks.

### DEER PARK.

**Free Mail Delivery Starts To-Day—Races Were Close.**

**DEER PARK, Oct. 31.**—The first annual cross-country run of the Deer Park Public School was held this morning, under the most favorable auspices. The weather was fine and there were a large number of interested spectators.

Twenty started, all of whom finished the race, which was run on Moore Park Bridge to the second concession and return, in a roundabout course, making a distance altogether of two and a half miles. The winner was Ross Clarke, 11 years old, who made the distance in 14 minutes and 10 seconds, closely followed by Tom Brown, 10 years old, in 15 minutes and 30 seconds. Other good third, Bert Gay, Edwin Northey, Riss Brown and Ross Dindner followed in the order given.

The winner of the first prize holds the cup for one year. In addition to this he becomes the winner of a handsome gold medal, presented by Mr. McGill. Silver medals will be given to the finished second, third and fourth.

### TORONTO JUNCTION.

**TORONTO JUNCTION, Oct. 31.**—Thanksgiving Day passed off quietly in

the Junction, and except for the usual number of inebriates nothing occurred to disturb the quietude of the holiday. A number of the residents of St. Clair-avenue complained of the practice of the railways in leaving stock cars on the siding at St. Clair-avenue. To-day several carloads of hogs were located there for several hours, and the noise and odor that emanated therefrom was anything but enjoyable. This action on the part of the railways indicates a seeming disregard for the rights of the citizens who reside in that locality.

A little boy named John Pickering of 50 St. Clair-avenue narrowly escaped serious injury to-day by falling from the top of a box car while he was playing in the yards of the Union Stock Company. As it was he was badly cut about the nose and forehead by striking against a bolt on the side of the car. His wounds were dressed by a local doctor, and he is now progressing favorably.

Thirty special constables sworn in by Mayor Baid for services to be rendered elsewhere would have been done while the Halloween revels were in the air.

Lost, a milk stole, in the north end of High Park, Thursday afternoon. Reward at 22 Dundas-street, Toronto Junction.

### KING CITY.

**Nine Classes Will Attend Many Grades of Plowmen.**

**KING CITY, Oct. 31.**—The King and Vaughan Plowmen's Association will this year hold their annual convention on the farm of A. B. Wells, lot 5, near concession 3, King, near King City. Dinner will be provided for visitors at the Metropolitan Hotel, near the grounds. There are altogether nine classes and the list is a generous one. John T. Salgeon is secretary, and entries may be made with Mr. Salgeon, or on the morning of the match.

### EARLS COURT.

**EARLS COURT, Oct. 31.**—Monday R. Nimmo, J.E.D.C.R., assisted by Charles Charles, Esq., presided at a new court of the Independent Order of Foresters. Forty signed the charter petition. The name of the new court is Earls Court, with the following staff of officers: C.D. Matthew B. Morgan; C.E. Edward Minnis; V.C.R. John Wright; J.W. George James; Physican, W. J. Corrigan; P.C.R. Fred C. Wilson; R.S. Samuel F. Hale; treasurer, Harry S.W. Charles A. Russell; S.B. Joseph Hampson; J.B. Thomas R. Hogben.

### PICKERING.

**A New Factory is Likely to Begin Operations—Sugar Beets Wanted.**

Numerous visitors from Toronto spent Thanksgiving Day with friends here.

Sugar beets are being loaded at the station here by farmers. The acreage is about half last year's. James McBrady's sale at Audley was a success this week. Milk cows, hay, fowl and pigs sold at good high prices.

There is a rumor abroad that an Ontario farmer has purchased the old schoolhouse for use as a recording factory for musical instruments. They expect to start in about six weeks.

### RICHMOND HILL.

**Budget of Crisp News From Northern Village.**

**RICHMOND HILL, Oct. 31.**—The annual union Thanksgiving service was held this morning in the Presbyterian Church. The service was taken by Rev. A. P. Braze.

The traffic on the Metropolitan Railways was very heavy to-day, both to and from the city. The country is taking advantage of the Canadian Northern Railway to reach the Highlands to-morrow there will be a large reduction in the number of schoolbuses for use on the grounds. Now look out for the cars. It is certainly in order to ask at least for straps.

New C. N. O. station agent, Mr. Fred Hepburn, was installed in his position, having moved here from Zepphr.

### TRAVELING LIBRARY INSTALLED.

Another of the traveling libraries is being installed by Librarian Coville. No doubt, like the last, it will be appreciated by the citizens.

The meeting of the High School Literary Society this week was particularly interesting. Mr. Otto James presided and the program included a debate on "The Affirmative" in which the affirmative was carried.

The Markham Township Council are being urged to improve the township part of Centre-street to the concession. The great amount of traffic from the township to the C. N. O. station and levator would fully justify such action.

Continued inflow of grain to the elevator at the farm here, after a long drought, has been great and it is possible to the Toronto market figures.

License is issued.

W. Savage, formerly proprietor of the Palmer House here, after a strong effort, has obtained license for the King City Hotel, which he intends to occupy.

The concert in the Masonic Hall to-night in aid of the public library was a success from great distances.

A special service will be held on Sunday evening in the Headford Church, when Rev. E. H. Toye will preach.

## WEDS COACHMAN, CUT OFF COLLEGES LOSE BEQUEST

**Income of \$500,000 for Life Changed to Straight Gift of Half Million.**

**RIVERHEAD, L. I., Oct. 31.**—Because Mrs. Lena Head Bodley married a coachman against the wishes of her mother and George C. Taylor, who employed her mother as housekeeper, Yale, Harvard, Williams, Princeton and Hobart Colleges will each lose \$100,000. Instead, the Moses Taylor Hospital of Scranton will receive the \$500,000 and \$250,000 additional, under the will of George C. Taylor, which was filed for probate here to-day.

Mr. Taylor, who lived in Islip, left an estate estimated to be worth \$2,000,000. A number of years ago he brought Mrs. Betsy Head and her daughter Lena from Europe to Islip and made Mrs. Head his housekeeper. In his will, drawn up in 1900, he bequeathed \$2,000,000 outright to Mrs. Head, and the income of \$500,000 for life to her daughter, Miss Lena Head. The \$500,000 was to be shared in lots of \$100,000 each by Yale, Harvard, Williams, Princeton and Hobart Colleges.

When Miss Lena married Frederick W. Bodley, Mr. Taylor's coachman, a codicil to his will, in which he revoked the bequest to the five colleges and to Mrs. Bodley, and substituted therefor a bequest of \$500,000 to the Moses Taylor Hospital of Scranton, Pa., which was headed by his father, inasmuch as Mrs. Head died before Mr. Taylor did, the \$2,000,000 bequeathed to her reverted to the Taylor estate.

Under the will Mrs. Bodley, the wife of the coachman, receives nothing, but it is said that in lieu of the bequest Mr. Taylor gave her a large sum—possibly \$500,000—before he died.

## INSANITY THE DEFENCE OF HARRY KENDALL THAW

**Counsel for Slayer of Stanford White Convinced that Condition is Inherited.**

**NEW YORK, Oct. 31.**—Announcement was made to-day that insanity is to be the plea in the defence of Harry Kendall Thaw, whose second trial for the slaying of Stanford White will begin on Dec. 2 next.

Martin W. Littleton, chief counsel for Thaw, it is stated, has decided on this plea. He is said to be convinced that Thaw is insane. Ever since he took charge of the case, it is said, Mr. Littleton has given the question of Thaw's insanity the most careful study. He has traced the Thaw family tree, and it is said he has decided that the insanity of Thaw may have been an inheritance.

## JOKES IN SHADOW OF DEATH

**Charles H. Rogers Convicted of Murder at Goshen.**

**GOSHEN, N.Y., Oct. 31.**—Charles H. Rogers, convicted of murder in the first degree for the killing of Fred R. Olney, near Middletown, was sentenced to-day by Justice Tompkins to be executed at Sing Sing Prison, Dec. 8. Immediately after sentence was pronounced Rogers was started in an automobile for Sing Sing Prison, where he will be placed in a cell in the death house. Rogers was laughing and joking as he started for Sing Sing.

Rogers' attorneys announced that they will carry the case to the court of appeals.

## WILL BUILD POWER LINES.

**Hardly Likely Government Can Make Other Arrangements.**

Very little that is really reliable and new can be stated in regard to the proceedings of the power commission, when made with respect to the government's intentions in building the power lines from the falls to the case of the municipality of these places at all events circumstances which will compel the government to build these lines.

It is highly probable, however, that a conference will shortly take place between the hydro-electric power committee of the union and the executive committee of the western municipalities to consider the power question in the way of making preparation to raise the funds required to provide the local distribution plants.

The power will be brought to each village, and will be probably stepped down to 2000 or 2250 volts for the use of distribution.

It is now, however, not at all improbable that the completion of the lines in all its multitudinous details as well as the other business, which is at present occupying the attention of the contracting companies, will not be concluded in a couple, or even three, weeks to come.

Audience that would have overflowed the ordinary theatre attended the Ben Greet performances at Massey Hall yesterday afternoon. "As You Like It," at the matinee, was admirably performed by the talented English actress, Miss Irene Rooke, who has a great charm of voice, taking the part of Rosalind. Milton Rosmer was a most attractive Orlando, and Ben Greet was seen in one of his best parts, the melancholy "Twelfth Night" amused the audience greatly. This evening one of the company's best plays will be presented in "Macbeth," and to-morrow afternoon and evening "Romeo and Juliet" will be seen for the first time in its entirety.
