ARTHUR CURRIE INVITED TO OPEN WESTERN FAIR WHEN HE ARRIVES HERE ON SEPTEMBER

Acceptance Expected Today-Civic Reception Will Be Arranged by No. 1 Committee of City Council On Thursday.

Gen Sir Arthur Currie will open Western Fair on Monday. September & unless plans miscarry, which is improbable. To this end Secretary A. M. Hunt is bending all his energies and hopes to have the official acceptance of the invitation from Sir Arthur some time today. The secretary started the ball rolling by cabling to the general plant from England, but failed to get a reply and since the soldier's arrival in Canada the mails have been tried with equally disappointing results. Today a wire was dispotched to him in care of military beadquarters, Ottawa, and it is expected this will be forwarded to him at Sherbrooke.

Coming Almost Certain ed this will be forwarded to him at Sherbrooke.

Com'ng Almost Certain.

There are excellent grounds for presupposing that Sir Arthur's reply will be favorable, as on that day he is due to address the Canadian Club here. Some time ago negotiations for this visit were begun, and the date was left to the general to fix. He named Menday. September 8, and doubtless will be here on schedule, as he is expected at his home in Strathroy on Sunday.
