

GIVE NEW COUNCIL TAG DAY FUNDS

Another Suggestion as to Disposition of St. Julien Day Collection.

The veteran associations were unanimous in the opinion that the \$18,000 of the long-disputed St. Julien's Day tag fund be handed over to the newly-formed Veterans' Reunion Council was the decision arrived at last night at a meeting of the council, presided over by General Williams at military headquarters, College street.

The Original Club representatives announced that all claim to the money had been relinquished by their association, and the injunction granted by the courts withdrawn. Thus ends, so far as the ex-service men are concerned, a bitter controversy which has been waged over a period of three years, and General Williams will head a deputation before the board of control this morning to announce that all is now harmony in the ranks of the men on this particular question.

Whole Week of Entertainment. Progress was reported by all the committees arranging for the first reunion on Aug. 28. The committee in charge of the reception and entertainment of the Victoria Cross men recommended that their stay in Toronto be extended from Aug. 27 to Sept. 6, a whole week of entertainment being in prospect, including, it is proposed, a dinner or other function by the Reunion Council.

The Empire Club will dine the wearers of the great distinction early in the week, and they will also be given a trip to Niagara Falls and a series of receptions. Dominion Secretary McNeil of the G. W. V. A. will continue the effort to induce the Dominion cabinet to loan two of its private cars to bring the men here.

It was suggested that where private means will not permit the men such a prolonged absence from home that employers of V. C. holders throughout the Dominion be induced to give them leave with pay. The same suggestion was made regarding a half holiday for the Toronto ex-service men on August 28, and General Williams will ask the mayor to make an appeal to all Toronto employers of veterans to allow the men their wages for that day.

Comrade Conroy estimated that the men on parade for the reunion would number 15,000, and a suggestion was made that the place of gathering for all but the members of '66 and the older bodies be Queen's Park. The others would gather at Trinity College grounds. General Williams is to lead the parade and the hope was expressed that General Byng would be here to take the salute. In that connection the following cable was sent to the former commander of the Canadian forces in the west: "Welcome to Canada's next governor-general. Byng boys congratulate you. First National assemblage of Victoria Cross and ex-service men to be held at Canadian National Exhibition, Toronto, August 28. They desire the honor of giving you welcome to Canada on that occasion. Can you come? Signed for the Byng boys, General Williams, G.O.C., M.D. No. 2."

JUSTICE OF PEACE VIOLATOR OF O.T.A.

Frederick Foxton, of Sydenham, Had Liquor in Rooming House.

Kingston, Ont., July 27—(Special).—Frederick Foxton, justice of the peace at Sydenham, was today convicted before Justices of the Peace Hunter and Rutten of having liquor in a place other than a private residence and was fined \$200 and in default three months in jail. Inspector Wm. McCammond told of the receipt by the defendant of a five-gallon keg of liquor on June 2, and another five-gallon keg on June 25. On July 13 the Foxton residence was searched for liquor and officers found an empty keg and a keg containing two gallons of liquor.

The prosecution claimed that the defendant had the liquor unlawfully because there were boarders or roomers in his house at the time the liquor was alleged to have been received, although the search was not made until July 13, some weeks after the boarders or roomers had left.

A. B. Cunningham, solicitor for Foxton, moved for leave to quash the conviction on the ground that there was no proof submitted that Foxton had liquor in his residence at all or that, supposing he had liquor, that it was in the house before the roomers took their departure.

ENGINE RUNS INTO LOADED TROLLEY

Thirty Passengers Have Narrow Escape East of Humber.

Passengers, said to number about 30, had a narrow escape on the Lakeshore Radial Railway yesterday afternoon when the car on which they were travelling was struck by a locomotive used by the Harbor Commission in the construction of the new harbor lands just west of Sunnyside. The mishap occurred at Jane street, where there is a cross track running across the highway into the harbor commission grounds. The westbound radial car from Sunnyside just reached the crossing when the approaching locomotive was observed, and, as is stated, the motorman had the presence of mind to increase the speed of the car, thus avoiding a collision with the main body of the car, the rear vestibule was struck and literally carried away. Beyond slight shock caused by the force of the impact, none of the passengers are reported to have received any injury.

Conductor Hope, who was standing in the vestibule, sustained slight injuries but saved himself from serious hurt by jumping from the vestibule into the car just as the collision took place.

The watchman at the crossing is stated to have signalled the driver of the locomotive to stop, but the signal was misunderstood.

EARLS COURT SILVERTHORN METHODISTS HOLD ANNUAL PICNIC

A picnic and garden party in connection with the Silverthorn Methodist Church was held yesterday, in the church grounds at Hilliary and Rosethorn avenues. There was a baby show and races for men and women, followed by a supper in the evening. Many valuable prizes were given away to winners. The picnic wound up with a band concert after supper. Rev. W. H. Oke is the pastor.

The Canadian Bank of Commerce branch at Fairbank, north of Earls Court, will be discontinued after the 31st inst. The business of this branch will be transferred to Oakwood and Vaughan road, about a mile east. Mr. H. J. Walton, manager, will be in charge.

The Earls Court Poultry and Pet Stock Association has arranged for a picnic to Guelph Agricultural College on Saturday, Aug. 7. The party will travel by special radial cars from Keele and Dundas streets, and a large number of local poultry breeders will make the trip.

Silverthorn residents recently made application to the York Township Council for new culverts on the highway in Silverthorn. The council decided to grant the request, and new culverts have now been placed here, to the great satisfaction of the residents and the ratepayers. Reeve Miller and Deputy Reeve Graham have been passed a vote of thanks for their promptness.

PORT CREDIT AFTERMATH OF BIG MOTOR CAR ACCIDENT

An action cropped up in Port Credit police court yesterday afternoon in connection with the big motor smash which occurred on the Lake Shore highway near Egliploke Creek late on Sunday night. The accident, which caused considerable damage to three autos, resulted in two separate charges of reckless driving being brought against Robert Bagnall, 150 High Park avenue. The charges were brought by the owners of the other two cars in the mishap, Thomas E. John Dunlop, also of Toronto, and Dove, 22 Coxhill avenue. At the commencement of the proceedings on the case, by mutual agreement of plaintiffs and defendant an adjournment was asked for pending a settlement of the damages by Toronto magistrate Gordon, who thought a settlement would be better than a lawsuit. Should the settlement be made, the criminal charges of reckless driving will be dropped. The estimated cost of the damages is \$200.

FOUND STOLEN MOTORS.

Two cars stolen from Toronto on Monday night were handed over to their owners at Port Credit yesterday afternoon by County Constable Rutledge. One of the cars, owned by Wm. Shinnick, Confederation Life building, was stolen from the front entrance of the Allen Theatre, while the other, the property of E. R. Bicknell, Rose avenue, was taken from that address. Both cars were located near Burnhamthorpe. The thieves, whom it is surmised, were working in conjunction, only escaped by a narrow margin.
