

# CIVIC ELECTION RESULTS SHOW TORONTO REMAINS TRUE TO THE HYDRO

## WARD ONE PROVIDES EXCITING CONTEST

### Rev. F. E. Powell Returned for Board of Education With Large Vote.

Honeyford ..... 3657  
Johnston ..... 3225  
Wagstaff ..... 2807

With eleven candidates in the field for the aldermanic race, there was no lack of representatives to pick from in ward one, and with one seat rendered vacant by Alderman W. W. Hiltz, who decided to go for the board of control, and the remaining two aldermen, Richard Honeyford and Frank M. Johnston, again seeking the suffrage of the ratepayers, the election was decidedly interesting and a large vote was polled, resulting in the re-election of the two former aldermen. Mr. Honeyford leading all candidates by a majority of 412 over Alderman F. M. Johnston, who secured second place.

Ex-Alderman J. H. Wagstaff secured the third place and will fill the seat left vacant by Alderman W. W. Hiltz.

Local Robert Luxton, M.C., was a close fourth and W. A. Summerville secured fifth place.

In the present election Alderman Honeyford and Johnston changed positions. Alderman Johnston heading the poll last year with 139 votes ahead of Alderman Honeyford.

The representation on the board of education is unchanged, last year's trustees being re-elected with an increased number of votes to their credit. Rev. F. E. Powell, who received 1,553 more votes than last year, and P. M. Douglas, 697, Mrs. Archdekin was the third highest in the board of education race of five entrants, receiving 1,362 votes.

## BEAMISH DROPS INTO THIRD PLACE

### Dr. Noble of "Frills and Fads" Is Defeated in Ward Two.

Winnett ..... 3436  
Risk ..... 3086  
Beamish ..... 2386

The aldermanic vote in Ward Two compared peculiarly with that of last year. Alderman Winnett climbed from third place to the head of the poll, whilst Alderman Beamish declined in popularity from the extent of office in popular favor to third place. J. N. Day, who ran seventh in the 1920 contest, landed this year to within one place of the chartering chief, Alderman Risk, maintained himself in second place and polled 400 votes over his last year's record.

Ward Two was conspicuous as the apocryphal of "Frills and Fads". The veteran trustee was within 114 votes of supplanting Mr. Beamish, who was elected by a majority of over 400 by Major Wemp.

Ward Two, in its vote for controllers, accorded Mr. Maguire the substantial figure of 855. Alderman Hiltz was its second choice, with H. H. Ball a close third. Fourth place was insecurely held by Controller Ramsden, who polled slightly over 100 more votes than Alderman Nesbitt.

## MAYOR CHURCH GETS SEVENTH TERM

(Continued From Page 1).

ex-Controller McBride has announced that he will not be a candidate. The way seems open for a new man with ambitions to get into training for January 1st next if Controller Maguire is to be given a battle for the mayor's chair.

Hiltz Will Develop.

Ald. Hiltz may be expected to develop rapidly as a manager of the city's business. He entered the council first as an alderman in 1914 and with the exception of 1915 has served every year since. It has been his practice in council to speak only after careful consideration of the matter in hand and his views always receive close attention. He is the first resident from east of the Don to be elected to the board in many years.

The other new member of the board, Ald. Nesbitt, was elected first in 1916 and was returned each year following. He ran second last year in Ward 4. Controller Nesbitt may be depended upon to pursue a pro-Hydro and public ownership policy and give consistent support to Mayor Church.

The 1921 board is a safe public ownership board. If the mayor meets with any opposition during the year it will have to come from Messrs. Hiltz and Gibbons. The other two, Messrs. Maguire and Nesbitt, have

shown a disposition to vote with the mayor in the past and will likely continue to do so.

Fell by Wayside.

Controller Ramsden, who, with Controller Cameron, fell by the wayside in Saturday's battle, was an alderman for seven years and controller only one year. His first year was 1902, when he was sent to council from Ward 3. During his aldermanic career he remained in Ward 3. Controller Cameron was an alderman only two years, namely, 1914 and '15, and ran against Mayor Church for the majority in 1918 and '19 and '20. He ran against Mayor Church for the majority in 1918 and was defeated by 810 votes.

Of the candidates defeated, Messrs. Robbins and Ball were candidates last year. Both polled more votes than in 1920, and were only a few hundred behind the winners, so have no reason to feel discouraged.

All the questions and bylaws received an affirmative vote, with the exception of the secession referendum in North Toronto. The vote shows 646 for separation from the city and 1,366 against. The vote on daylight saving was overwhelling. Only 1,857 voted against it, while 23,809 were for it.

The one surprise was the pronouncement of the electors in favor of daylight saving. The storm raised last summer against "summer time" was apparently not as terrible as it seemed at the time. Strong approval of both the dwelling house exemption bylaw and proposal to lay water mains on the local improvement policy was expressed by the ratepayers.

New Faces in Council.

There will be six new faces in this year's council, namely: Wagstaff from ward 1, Rose from ward 3, Mrs. Small from ward 5, Hacker from ward 6, Davy from ward 7 and Cruise from ward 8. The missing ones are: Controllers Ramsden and Cameron, Ald. F. W. Johnston of ward 3, Ald. Plewman of ward 5, Ald. Maher of ward 6, and Ald. Miskelly of ward 8. The last two voluntarily retired. The election of Mrs. Small in ward 4 adds another woman to the aldermanic circle, which now includes two ladies. Mrs. Hamilton was elected in ward 3 last year and was the first woman to sit in council. She was elected again this year.

In his severer moments, Mayor Church received only one acclamation, which was in 1917. His first fight in 1915 was against J. O. McCarthy, who he defeated by a majority of 6,461, the vote being 26,047 to 19,586. The next year his opponent was Harry Winberg, who was left behind by a vote of 23,553 to 9,890. In the contest of '18, in which R. H. Cameron was the other contestant, Mr. Church got 27,695 votes and Mr. Cameron 9,995. By the 1919 battle was among four contestants and the results were: Church 28,920; John O'Neil, 16,230; W. H. Shaw, 5,774; Thomas Foster, 2,150. Last

NEW MAN IN COUNCIL. HENRY M. DAVY, WARD 7.

NEW MEN IN COUNCIL. GEORGE M. ROSE, WARD 3.

year's was a three-cornered fight and the votes went: Church, 25,730; McBride, 20,818; Ballantyne, 5,589. This time the mayor got 35,959 and McBride 19,966.

The votes cast in the last seven elections were: 1915, 45,632; 1916, 38,447; 1917, 30,663; 1918, 45,600; 1919, 46,223; 1920, 62,271; 1921, 55,934.

Last Year's Results.

Following are the official returns of the vote cast at the last municipal election:

**For Mayor.**  
Thomas L. Church ..... 25,730  
Samuel McBride ..... 20,818  
James H. Ballantyne ..... 5,589

**For Controllers.**  
Charles Alfred Maguire ..... 24,409  
Joseph Gibbons ..... 23,855  
Robert H. Cameron ..... 21,068  
Joseph G. Ramsden ..... 18,459  
William D. Robbins ..... 17,780  
Herb H. Ball ..... 16,311  
James Simpson ..... 16,833  
Jesse G. Wright ..... 7,927

**Mayor Thanks People.**

After the result of the election was known Mayor Church visited The World office on Saturday evening and addressed the crowd from the steps of the building. He spoke as follows: "I want to thank all the people of Toronto for the support they have given me today. This was not my victory; it was the people's victory. Principally the biggest men of our future generations will thank you for what you have done today for public ownership. The press have helped to put this thing all the way in front of the board of control and the city council. I conducted a clean campaign, and never indulged in any personalities, and I was lucky enough to win your help in carrying this clean-up of the power and radial interests for public ownership. "I regret that through the unfair methods were resorted to by the board of education, who conducted a campaign of misrepresentation and falsehood. "A number of things were said that would have been better left unsaid. However, it is all over now, and we have a heavy year ahead of us on the board of control and the city council. I conducted a clean campaign, and never indulged in any personalities, and I was lucky enough to win your help in carrying this clean-up of the power and radial interests for public ownership. "I regret that through the unfair methods were resorted to by the board of education, who conducted a campaign of misrepresentation and falsehood. "A number of things were said that would have been better left unsaid. However, it is all over now, and we have a heavy year ahead of us on the board of control and the city council. I conducted a clean campaign, and never indulged in any personalities, and I was lucky enough to win your help in carrying this clean-up of the power and radial interests for public ownership. "I regret that through the unfair methods were resorted to by the board of education, who conducted a campaign of misrepresentation and falsehood. "A number of things were said that would have been better left unsaid. However, it is all over now, and we have a heavy year ahead of us on the board of control and the city council. I conducted a clean campaign, and never indulged in any personalities, and I was lucky enough to win your help in carrying this clean-up of the power and radial interests for public ownership.
